RE: Coach service for Basketball

Date: February 18, 2025

Hi Derek,

The rate for a 55-passenger motorcoach providing transportation for the girls or boys basketball team to the Kentucky State Tournament from the dates of March 12, 2025, to March 29, 2025 (if needed) will be \$1395.00 per day per coach, plus the driver's accommodations.

If both boys and girls can use the same bus the price will not change, and only be \$1395.00.

Should either team lose and return home the same day the charge ends on that day. For example, a team loses on the 14<sup>th</sup> and comes home after the game, the charge for that day is \$1395.00 and the trip ends when we drop the team back at school.

Please be advised because of other school trips, we have limited availability, let me know if you have any questions or would like to book.

Thanks,

Rick Bravo
