Dear Members of the Board of Education,

I am requesting permission for students at North Middle School to attend the Kentucky Youth Assembly conference. This will be an overnight trip; the dates for this trip are December 12, 13, and 14, in Louisville, Kentucky.

KYA is a three-day experience in United States government that provides students and adult leaders with a greater appreciation for our unique democratic system through hands-on involvement with bill writing and debate. The conference is geared toward developing students' knowledge of the operations of our legislative system through role-play as they represent a member of Congress.

Thank you for your consideration of this educational trip.

Sincerely,
