 - b. Winter STAR Data
 - i. The committee reviewed the winter STAR data-seeing significant growth from Fall testing in all grades in both reading and math.
3. Budget Report
- a. Mr. Volpenhein requested that SBDM purchases a practice ACT from Torch Prep. It will give our junior students a real look at what the ACT is like before taking the state ACT on March 11th. The idea is to get students exposure to the test to better prepare them for the test. The price is \$9 per student, with a minimum of \$500. SBDM approved the purchase.
 - b. Mr. Meyers read a letter from the librarian and Youth Services Coordinator requesting funds to support their Valentines book exchange. They are asking for \$450 to fund the program where students will receive a book to own. SBDM approved the purchase.
4. Committee Reports – English
- a. Mr. Fitzgerald shared STAR Reading data from the Winter. Items to note were that each grade level improved from Fall to Winter STAR testing.
 - b. One issue that was brought to light was that it is tougher to get older students, juniors/seniors mostly, to test seriously, especially because many of those students are out of the building.
 - c. Mr. Fitzgerald shared the English department's goals for KSA testing.
