

District Planning

PLANNING

Meaningful consultation with teachers, principals, council members, other school leaders, paraprofessionals, central office administrators, administrators, Board member(s), classified staff, parents, community representatives, and high school students will occur in order for these groups to provide input into the development of the Comprehensive District Improvement Plan (CDIP).

The Superintendent/designee shall establish times for consultation with stakeholder groups for input. The Superintendent/designee shall make the procedures known to the community and school personnel.

Active minority participation will be encouraged.

The CDIP shall be compiled by District staff and shared publicly as a draft prior to Board review and action.

PLAN REQUIREMENTS

The District seeking Commissioner approval of the nontraditional instruction (NTI) plan shall annually incorporate it within the CDIP. The District shall submit the NTI plan to the Department by May 1 for implementation at the beginning of the upcoming school term.

The plan structure shall include the components set out in [703 KAR 005:225](#), the Every Student Succeeds Act of 2015 (ESSA), and [KRS 158.649](#). The structure of the CDIP shall include completion of a narrative summary of the current state of the school between August 1 and October 1 of each school year and completion of the needs assessment between October 1 and November 1 of each school year. A process for development of the CDIP is to be completed between November 1 and January 1 of each school year, and a District level plan for providing an equitable education to English Learners is to be completed by May 1 of each school year and other components required by state statutes or regulations. Unless otherwise noted, all additional components of the CDIP must be complete by May 1 of each school year.

The plan shall be updated on an annual basis, provide assistance in reducing physical, mental health, and academic barriers to learning, and address student equity.

The Superintendent shall present to the Board for review and approval the form and function of the District planning process, including format and timelines.

Planning activities shall draw on information from a variety of sources that shall include an opportunity for citizens of the community to have input into the plan.

As part of the District planning process, the Board shall review District academic performance on the state assessments for various groups of students in compliance with legal requirements. Upon agreement of the council, or the Principal if there is not a council, and the Superintendent, the Board shall establish an annual target for each school for reducing identified gaps in achievement.¹

District Planning**PLAN REQUIREMENTS (CONTINUED)**

The Superintendent shall develop and implement a plan for the evaluation of educational programs as part of the CDIP review. This plan shall include both objective and subjective measures of student outcomes in relation to District educational objectives developed and approved by the Board.

If the Board determines that a school has not met its target to reduce the identified gap in student achievement for a group of students, the Board shall require the council, or the Principal if no council exists, to submit its revisions to the school improvement plan describing the use of the professional development funds and funds allocated for continuing education to reduce the school's achievement gap for review and approval by the Superintendent. The plan shall address how the school will meet the academic needs of the students in the various gap groups.

TRAUMA-INFORMED APPROACH PLAN

The trauma-informed approach plan shall be reviewed and updated annually, incorporated into the annual CDIP required by [703 KAR 005.225](#), and submitted to the Kentucky Department of Education (KDE).

PUBLIC REVIEW

The plan shall have public review prior to presentation to the Board for final adoption. Opportunity for public and school staff review may be provided for a period of at least two (2) weeks and may be advertised in the newspaper of the largest circulation in the District, or as an alternative, post the plan on the District web site and provide for electronic review and feedback.

BOARD APPROVAL

The plan shall be completed between November 1 and January 1 of each school year and presented to the Board for approval. If revisions are needed, the District planning committee shall forward proposed revisions to the Superintendent. Revisions must reflect requirements of Every Student Succeeds Act of 2015 and [KRS 158.649](#). All recommendations for revisions require approval by the Board.

The Superintendent shall submit required assurances to the KDE no later than September 30 of each year.

IMPLEMENTATION

The District shall maintain a copy of each plan permanently and, no later than June 30 of each year, post the current plan on the District's web site.

The plan shall serve as a resource for Board decision making.

SCHOOL PLANS

The District plan shall be broad enough to allow each school to develop its own plan, within the goals and objectives of the District.

DISTRICT REPORT CARDS

The District shall post the District report card on its website, as required by ESSA. District report cards shall be widely accessible to the public, in an understandable and uniform format, and when possible, written in a language that parents can understand.

As outlined in [KRS 160.463](#), a copy of the report card is to be publicized by one of the following methods:

- a. In the newspaper of the largest general circulation in the county;
- b. Electronically on a website of the District; or
- c. By printed copy at a prearranged site at the main branch of the public library within the District.

If b or c above is selected, the Superintendent shall cause notification to be published in the newspaper with largest circulation in the county that includes the electronic address of the website or the address of the library where the report card can be viewed by the public.

The District shall send a District report card to parents containing information about performance as outlined in [KRS 158.6453](#) and [703 KAR 005:140](#), and information on electronic access to a summary of the results for the District shall be published in the newspaper with the largest circulation in the county.

SUMMATIVE ASSESSMENT RESULTS

The District shall prominently display, in not less than 16-point type, on the District's internet landing page, the District's percentage of students scoring the following:

- Proficient and Distinguished in Reading; and
- Proficient and Distinguished in Mathematics.

The information above will also be displayed at the top of each page of the District's website in a banner format.

The District shall display on the internet landing page a web link to the detailed results of the District's performance on the most recent Summative Assessment.
