PREPARED BY: Myron Thompson, Chief Operating Officer @ 422-0383

Recommended Action on: 3/24/2025
Consent Item

Superintendent Prior Approval: No

Recommendation/Motion: Approve the Construction Documents and Advertisement for Bids for the construction of the New Henry Clay High School.

Background/Rationale: The construction of the New Henry Clay High School is listed as priority 1b.3, 5.21, and 5.22 on FCPS's 2021 District Facility Plan (DFP) amendment #2.

The building construction project will be funded through a bond issue. A revised BG-1 Project Application for the construction, identifying the most recent cost estimate of the work, was approved by the Board at its October 28, 2024 meeting. The program and the building design have been prepared to conform with FCPS instructional program goals, as well as input from a steering committee. Plans and specifications are being reviewed by Office of Facility Design & Construction staff for compliance with FCPS standards. Advertisement of the project is scheduled for April 2025, and bids are expected in late April 2025, with construction planned to begin early June 2025 and to end in April 2028 (new building) and March 2029 (site), contingent upon all construction material deliveries occur in a reasonable amount of time and weather.
