Dear Regulations Compiler:

The Kentucky Department of Education has reviewed administrative regulation number 704 KAR 3:307, Recognition of credits when transferring without a transcript, in its entirety for compliance with the current law governing the subject matter of this administrative regulation.

This administrative regulation shall REMAIN IN EFFECT WITHOUT AMENDMENT because it is in compliance with current governing law. KRS 156.160 authorizes the Kentucky Board of Education (KBE) to promulgate an administrative regulation setting forth the courses of study for the different grades and the minimum requirements for high school graduation. KRS 158.140 mandates the assignment of a pupil to the class or grade to which the pupil is best suited. This administrative regulation provides procedures for recognition and awarding of credits for high school graduation for students transferring from a nonaccredited secondary school or for students in which a proper transcript is not reasonably available.

Sincerely,

Todd G. Allen
General Counsel
