RE: Bullitt East High School Irrigation Request **DC**

Bullitt East High School and East Middle School Football are requesting approval for the installation of an irrigation system at the football practice field (located on the vacant land across from BEHS). The area will be used as the Middle School Football practice field. BEHS football will have access to the facility and will practice there on occasion. Greenscapes will be handling the installation of the irrigation system and the estimated cost will be \$15,000 paid for by the Mt. Washington Football Cheer Association (MWFCFA).

.I recommend approval of this request.

Re: Irrigation Installation

BEHS Football and East Middle School Football are requesting approval for the installation of an irrigation system at the football practice field located on the vacant land across from BEHS.

The facilities will be used as the Middle School Football practice field. BEHS football will have access to the facility and will practice there on occasion. Please reach out with any questions.

Greenscapes will be handling the installation of the irrigation system and the estimated cost will be \$15,000. Our local community organization, the MWFCA, will provide the funding.
