Menifee County High School ACT Day

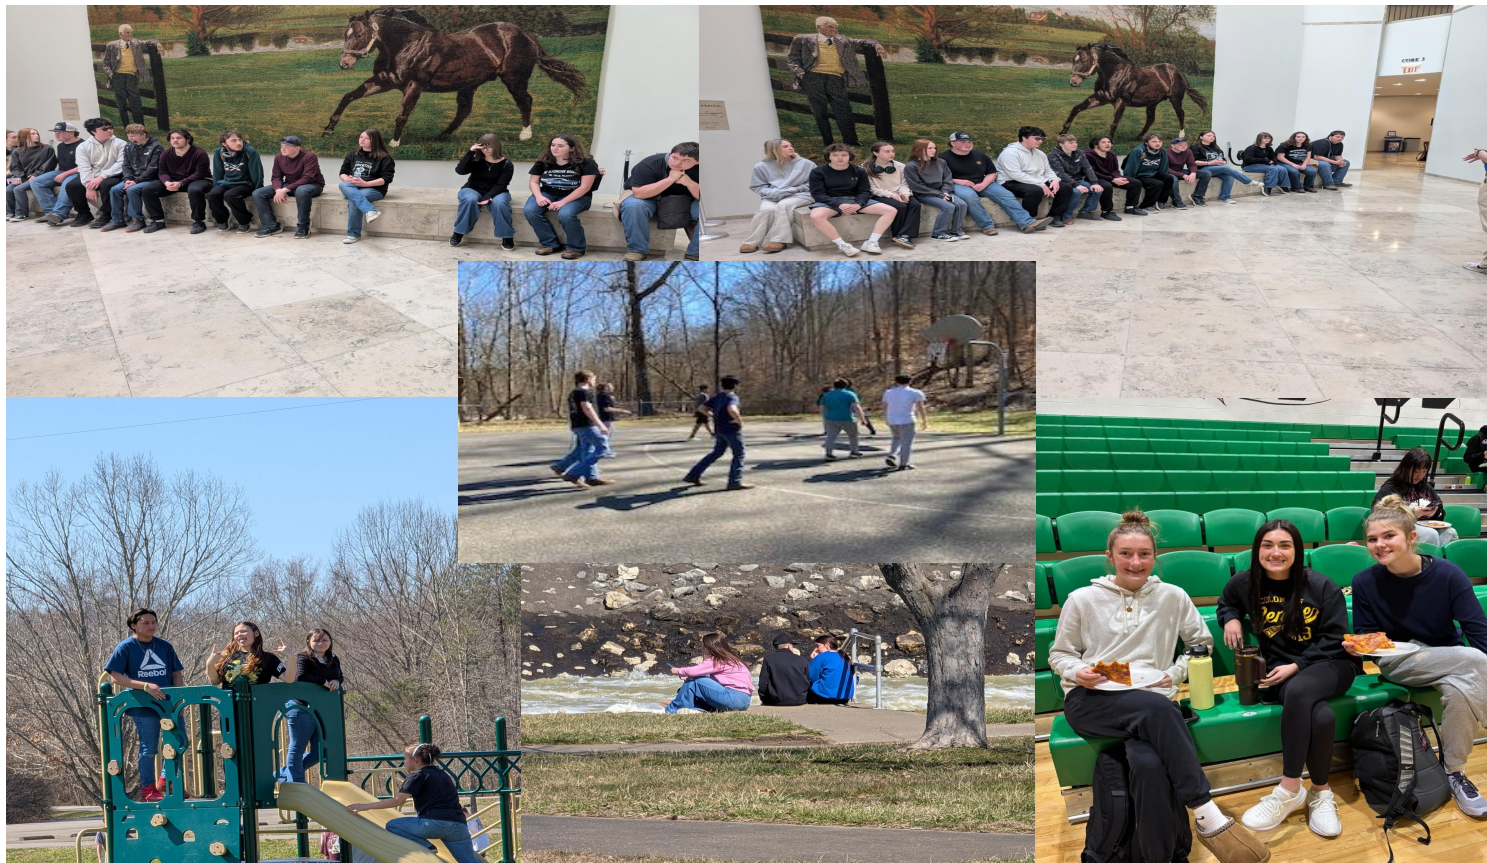

A huge shout out to our junior class for working hard on the March 11th ACT. They put in a lot of effort and we're proud of their dedication. After ACT testing, they were able to enjoy the beautiful weather outside and eat pizza provided by the Klabers.

Our 8th and 9th grade students had an amazing day visiting the Space Science Center at Morehead State University. They were also able to enjoy the afternoon at the Cave Run Lake Spillway.

Our 10th grade students made a memorable trip to the University of Kentucky where they were able to learn about UK's dual credit offerings and the possibilities that lie ahead in their academic careers.
