(Final Phase of the MCSHS Construction)

Questions?

- **What is the Cost? \$12 million - \$15 million**
 - Weightlifting class on-site (saves transportation costs each day)
- **Can you use restricted funds on athletic projects?**
 - In 2022, House Bill 678 allowed school districts to use restricted funds for athletic construction projects. HB 678's provisions are extended until June 30, 2027, by HB 727.
- **What is the Timeline?**
 - Design April 2025-March 2026
 - Accept bids March 2026
 - Open bids April 2026
 - Construction June 1, 2026 - June 30, 2027
 - Open August 2027
- **Can we save the "Class Sponsored" trees?**
 - Transplant the trees to a new location
