Dear Jim,

Thank you for allowing me to speak to the Northern Kentucky Coop and for hosting a visit to your school system. It was interesting to hear the history of the Southgate School System and also to hear about your facility needs and the challenges you are facing with budgets, staffing and growth.

I look forward to working with you over the coming years to support the excellent work you are doing at Southgate Independent. Please don't hesitate to call on the department should you need assistance.

Sincerely,

A handwritten signature in cursive script, reading "Terry Holliday".
