ARTICLE V
Performance of Services by Contractor

The Services shall be performed by Contractor, and in no event shall Contractor subcontract with any other person to aid in the completion of the Services without the prior written approval of the Contract Administrator defined below.

Contractor shall appoint one person who shall be responsible for reporting to the Board on all Services performed under the terms of this Contract and who shall be available for consultation with the Contract Administrator.

Contractor is an independent contractor, not an employee. Contractor is responsible for the payment of all federal, state and local payroll taxes and providing unemployment insurance and workers compensation coverage to Contractor's employees. Contractor shall provide all equipment, materials and supplies necessary for the performance of the Services.

Contractor shall at all times during the term of this Contract comply with all applicable laws, regulations, rules and policies. Contractor shall obtain and keep in force all licenses, permits and certificates necessary for the performance of the Services.

Contractor also agrees to hold harmless, indemnify, and defend the Board and its members, agents, and employees from any and all claims or losses incurred by any supplier, contractor, or subcontractor furnishing work, services, or materials to Contractor in connection with the performance of this Contract. This provision survives termination of this Contract.

Unless waived in writing by the Contract Administrator, Contractor shall maintain during the term of this Contract policies of primary insurance covering the following risks and in at least the following amounts: commercial general liability, including bodily injury, property damage, personal injury, products and completed operations, and contractual, \$1,000,000; and automobile liability, \$1,000,000. Contractor shall furnish to the Contract Administrator certificates of insurance evidencing this coverage and naming the Board as an additional insured. Additionally, Contractor shall maintain workers compensation coverage with limits required by law; and professional errors and omissions coverage with minimum limits of \$1,000,000. Contractor shall furnish certificates of insurance evidencing this coverage to the Contract Administrator.

ARTICLE VI Equal Opportunity

During the performance of this Contract, Contractor agrees that Contractor shall not discriminate against any employee, applicant or subcontractor because of race, color, national origin, age, religion, marital or parental status, political affiliations or beliefs, sex, sexual orientation, gender identity, gender expression, veteran status, genetic information, disability, or limitations related to pregnancy, childbirth, or related medical conditions. If the Contract Amount is paid from federal funds, this Contract is subject to Executive Order 11246 of September 24, 1965 and in such event the Equal Opportunity Clause set forth in 41 Code of Federal Regulations 60-1.4 is hereby incorporated by reference into this Contract as if set forth in full herein.

ARTICLE VII Prohibition of Conflicts of Interest

It shall be a breach of this Contract for Contractor to commit any act which is a violation of the provisions of Article XI of the Regulations entitled "Ethics and Standards of Conduct," or to assist or participate in or knowingly benefit from any act by any employee of the Board which is a violation of such provisions.

ARTICLE VIII Changes

The Board and Contractor may at any time, by mutual agreement set forth in a written addendum, make changes in the definition of the Services; the scope of the Services; and the Contract Amount. The Contract Administrator and Contractor may, at any time, by mutual agreement set forth in a written addendum, make changes in the time within which the Services are to be performed; the schedule of Progress Payments; and mutual Termination of the Contract.

ARTICLE IX Termination for Convenience of the Board

The Board may terminate this Contract in whole or in part at any time by giving written notice to Contractor of such termination and specifying the effective date thereof, at least thirty (30) days before the specified effective date. The Board shall compensate Contractor for Services satisfactorily performed through the effective date of termination.

ARTICLE X
Termination for Default

The Board may, by written notice of default to Contractor, terminate the whole or any part of this Contract, if Contractor breaches any provision of this Contract, or so fails to make progress as to endanger performance of this Contract, and in either of these circumstances, does not cure the breach or failure within a period of five (5) days after receipt of notice specifying the breach or failure. In the event of termination for default, the Board may secure the required services from another contractor. If the cost to the Board exceeds the cost of obtaining the Services under this Contract, Contractor shall pay the additional cost. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

ARTICLE XI
Disputes

Any differences or disagreements arising between the Parties concerning the rights or liabilities under this Contract, or any modifying instrument entered into under Article VIII of this Contract, shall be resolved through the procedures set out in the Regulations.

ARTICLE XII
Contractor's Work Product

Unless waived in writing by the Contract Administrator, the Board shall retain ownership in and the rights to any reports, research data, creative works, designs, recordings, graphical representations or other works of a similar nature (hereinafter "Works") produced or delivered by Contractor under this Contract. Contractor agrees that the Works are "works for hire" and Contractor assigns all right, title and interest in the Works to the Board.

Any reports, information, data, etc. given to or prepared or assembled by Contractor under this Contract shall not be made available to any individual or organization by Contractor without the prior written approval of the Board. Provided, nothing in this Article may be used to violate the provisions of any Kentucky or Federal statute or regulation which requires reporting of information.

ARTICLE XIII
Contract Administrator

The Board shall appoint a Contract Administrator for the purposes of daily administrative decision-making pertaining to the Contract. If Contractor and the Contract Administrator disagree on any circumstance or set of facts pertaining to the administration or execution of this Contract, the Board shall resolve the matter after notification by either the Contract Administrator or the Contractor in the manner prescribed by the Regulations. If the Board fails to give notice to Contractor of the appointment of a Contract Administrator, the Contract Administrator shall be the Board's Chief Financial Officer.

ARTICLE XIV
Right to Audit

The Board shall have the right to inspect and audit all accounting reports, books or records which concern the performance of the Services. Inspection shall take place during normal business hours at Contractor's place of business. Contractor shall retain all records relating to the performance of this Contract for five (5) years after the end of the term of this Contract.
