Re: Replace louvers for GYM exhaust fans.

Walker Mechanical is pleased to quote the following for your consideration.

- We will provide new motorized louvers for the (2) exhaust fans and necessary hardware to install.
- We will take the custom fabricated screens on site to our shop and weld extensions on the frame to provide adequate clearance for the dampers to open.
- Customer will have time to paint the covers before we proceed with the installation.
- We will provide an articulating boom lift to safely remove the old louvers and install the new ones in place.
- We will need access to the indoor lift on site to access the inside of the building to unwire and rewire the new dampers in place.
- We will, while on site, clean the inlet screens on the fans and provide new belts to replace the worn belts for the fans.
- We will, after verifying the functioning of the dampers, install the covers to protect the new louvers
- We will start up the new fans and verify proper operation.
- We will need 3-4 days access to the inside of GYM and outside of building for the work to be completed.
- Lead time on the dampers are 10 weeks.

The total cost for the above scope of work is \$15,900.00.

Notes/Exclusions:

- Due to recent tariff agreement changes, this price remains valid for a limited time. However, it may be subject to revision before accepting a written purchase order.
- Work delays resulting from conditions beyond the control of Walker Mechanical and/or those that are caused by owner or owner's contactors shall result in additional charges.

Any problems found with existing parts, material or equipment will be additional to this proposal.

TERMS AND CONDITIONS

All goods and services furnished by the HMC Service Company ("Supplier") are governed by these standard terms and conditions, and every agreement or other undertaking by Supplier is expressly conditioned on assent hereto by the buyer and any end-user with whom Supplier undertakes to deal, of Supplier's goods and services ("Customer"). These standard terms and conditions supersede all inconsistent printed terms submitted by Customer prior to Supplier's order acknowledgement. They may be varied only by a typed or legibly handwritten notation on the face of Supplier's quotation or order acknowledgement, Customer's purchase order form or similar documents. Product and sales policy sheets and the like published from time to time by Supplier shall supplement but not supersede these standard terms and conditions. SUPPLIER IS NOT BOUND TO FURNISH ITS GOODS OR SERVICES EXCEPT IN ACCORDANCE WITH THE TERMS OF ITS ORDER ACKNOWLEDGEMENT, FIRM QUOTATION, OR OTHER SIMILAR DOCUMENT ISSUED OVER THE SIGNATURE OF AN AUTHORIZED EMPLOYEE OF SUPPLIER. SUPPLIER'S REPRESENTATIVES, DISTRIBUTORS, DEALERS, AND OTHER NON-EMPLOYEES HAVE NO AUTHORITY TO BIND SUPPLIER.

- 1. **Price/Delivery Terms.** Unless otherwise provided on Supplier's order acknowledgement, price and delivery terms are FOB Supplier's plant and do not include sales, use or other taxes. Supplier may, at its option, make partial shipments and invoice for same.
- 2. Payment/Credit/Security. Payment terms for buyers with a credit standing deemed adequate by Supplier are net 30 days from date of invoice. Supplier shall be entitled to charge interest thereafter at a rate permitted by law but in no event to exceed 1-1/2% per month. Whenever Supplier in good faith deems itself insecure, Supplier may cancel any outstanding contracts with Customer; revoke its extension of credit to Customer; reduce any unpaid debt by enforcing its security interest, created hereby, in all goods (and proceeds therefrom) furnished by Supplier to Customer; and take any other steps necessary or desirable to secure Supplier with respect to Customer's payment for goods and services furnished or to be furnished by Supplier.

In the event Customer for any reason withholds payment of any amount due Supplier, Supplier may declare itself insecure and suspend further shipment to Customer until Customer places the withheld amount in escrow and gives adequate security for further shipment or until Customer satisfies Supplier that Customer was entitled to withhold such amount. Supplier shall be entitled to recover from customer all costs, including reasonable attorney's fees, incurred by Supplier in connection with the collection of any amount due Supplier.

- 3. Cancellation by Customer. (a) Except as provided in sub-paragraph (b) below, Customer's wrongful non-acceptance or repudiation of a contract to purchase Supplier's goods or services shall entitle Supplier to recover the price or, where an action for the price is not permitted by law, damages, as provided by law, including Supplier's lost profits. In this connection, all goods purchased, and all services furnished by Supplier in complete or partial fulfillment of a special order from Customer shall be deemed identified to the contract between Supplier and Customer. (b) Customer's wrongful non-acceptance or repudiation of a contract to purchase from Supplier goods which Supplier generally carries in inventory as stock items (or which are otherwise readily re-saleable by Supplier at a reasonable price) shall entitle Supplier to recover damages, as provided by law, including Supplier's lost profits.
- 4. Warranty. Supplier warrants that all new and unused goods furnished by Supplier are free from defect in workmanship and material as of the time and place of delivery by Supplier. Except for goods and services furnished by Supplier through its employees arising out of orders solicited by Supplier's Representatives and duly accepted by Supplier. Supplier does not warrant, and shall not be liable for, the quality of any goods or services furnished or to be furnished by representatives, distributors, dealers or other non-employees of Supplier.

As a matter of general warranty policy, Supplier honors an original buyer's warranty claim in the event of failure, within 12 months from the date of delivery by Supplier, of warranted equipment which has been installed and operated under normal conditions and in accordance with generally accepted industry practices. Supplier warrants labor as follows: Planned Maintenance Contracts – 90 days from date performed; Renovation of Energy Retrofit Contracts – 90 days from completion of contract; Spot Service – 30 days from date performed. This general warranty policy may be expanded or limited for particular categories of products or customers by information sheets published by Supplier from time to time.

The express warranties provided above are in lieu of all other warranties, express or implied. IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSES ARE EXCLUDED WITH RESPECT TO ANY AND ALL GOODS AND SERVICES FURNISHED SUPPLIER.

In the case of Supplier's breach of warranty or any other duty with respect to the quality of any goods, the sole and exclusive remedies therefore shall be, at Supplier's option (1) repair, (2) replacement, or (3) payment of or credit for the purchase price (less reasonable depreciation based upon actual use) upon return of the non-conforming goods or parts.

- 5. Force Majeure. Supplier and Customer assume the non-occurrence of the following contingencies which, without limitation, might render performance by Supplier impractical: strikes, riots, fires, war, late or non-delivery by suppliers to Supplier, and all other contingencies beyond the reasonable control of Supplier.
- 6. No Consequential Damages. Under no circumstances shall Supplier be liable for any special or consequential damages whether based upon lost goodwill, lost resale profits, work stoppage, and impairment of other goods or otherwise and whether arising out of breach of warranty, breach of contract, negligence or otherwise, except only in the case of personal injury where applicable law requires such liability.
- 7. Governing Law. The law of the State of Kentucky shall govern all transactions to which these standard terms and conditions apply.
- 8. Pricing: At the time of equipment/material order if pricing from the supplier has increased, we reserve the right to adjust our proposal pricing
- 9. Equipment/material lead time will be updated upon receipt of purchase order.
