

**OLDHAM COUNTY BOARD OF EDUCATION**

**CONCERN**

Consider Approval of the Architect Selection for the Bus Garage Roof Replacement Project.

**DISCUSSION**

On November 18, 2024 the Board approved the Initial BG-1 for the Bus Garage Roof Replacement Project. The project requires the assignment of an architect. Licensed architects and/or engineers are assigned to all projects that construct new buildings, modify, renovate, or construct additions to existing buildings. The architect/engineer is responsible for the proper preparation of all plans, specifications, estimates and periodic inspections during the execution of the construction contract. Architectural firms submitted Letters of Interest and qualification forms.

In September, Oldham County Schools Advertised a request for qualifications for FY 25 Capital Improvement Projects. Qualified firms submitted letters of interest. After thorough review Pickett Passafiume Architects, PLLC is recommended by Brent Bohannon, Director Facilities Management, for selection to complete the project.

**RECOMMENDATION**

Approve the selection of architectural services for the Bus Garage Roof Replacement Project to Pickett Passafiume Architects, PLLC and hereby authorize the Director of Facilities Management to execute the necessary documents for submission to the Kentucky Department of Education, District Facilities Branch, Division of District Support.

---

On a motion by \_\_\_\_\_, seconded by \_\_\_\_\_, the Board approved the selection of architectural services for the Bus Garage Roof Replacement Project to Pickett Passafiume Architects, PLLC for submission to the Kentucky Department of Education, and hereby authorize the Director of Facilities Management to execute the necessary documentation.
