Per House Bill 241 schools can submit a plan to KDE and the commissioner of Education to amend 2024-2025 school calendars. If approved, we can deduct 4 days from current school year. Also, we are requesting from the Commissioner of Education to receive up to five additional days.

Applicable State or Regulations:

KRS 158.060, KRS 158.070, and 704 KRS 7:125

Fiscal/Budgetary Impact:

N/A

History/Background:

House Bill 241 will allow school districts to waive the 170 day requirement and instead meet 1062 minutes of instruction prior to the end of the year. By doing this, it will allow students to complete instructional time earlier than originally anticipated.

Per House Bill 241:

"(5) If a local school district is unable to provide the required 1,062 hours of instruction by June 4, 2025, the commissioner of education may waive up to five student attendance days. The commissioner of education shall not waive instructional days for a district that did not make up days by adding time to the student instructional day. Notwithstanding any other statute or administrative regulation to the contrary, student attendance days waived under this subsection shall be applied on a district-wide basis."

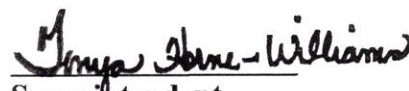

Recommended Action:

Amend the 24-25 school calendar.
