LICENSE AGREEMENT 22064-01**

EVENT DESCRIPTION: Bullitt County High School Graduations

TERM: 05/31/25 - 05/31/25

DEPOSIT AMOUNT: \$0

DEPOSIT DUE DATE: 04/20/25

CONTRACT DUE DATE: 04/20/25

THIS LICENSE AGREEMENT (“License”) is made this March 21, 2025 (“Effective Date”), by and between **the KENTUCKY STATE FAIR BOARD** (“**Board**”), a municipal de jure corporate body of the Commonwealth of Kentucky, who is alternatively known as **KENTUCKY VENUES**, the brand name under which the Board operates the Kentucky Exposition Center and the Kentucky International Convention Center, and whose address is PO Box 37130, Louisville, Kentucky, 40233-7130, and **Bullitt County Board of Education** whose address is 1040 Highway 44E, Shepherdsville, KY, 40165, (“**Licensee**”) (collectively referred to as “Parties”).

In consideration of the covenants and other consideration contained in the License Agreement, the parties agree as follows:

**SECTION 1
TERM, DESCRIPTION OF PREMISES,
ACCESS TO THE PREMISES**

The **Board** hereby grants to **Licensee**, the right to use and occupy the Licensed Premises (defined below) for the sole purpose of conducting the Bullitt County High School Graduations beginning 05/31/25 and ending 05/31/25 and for no other purpose whatsoever without the prior written consent of the **Board**.

Board agrees to License to the **Licensee**, and the **Licensee** agrees to License from the **Board** the licensed areas as more specifically stated in **EXHIBIT A**.

Licensee has inspected the Licensed Premises and accepts same in "AS IS" condition. **Board**

makes no warranty, guarantee, or covenant of any nature whatsoever concerning the condition of the Licensed Premises including the physical condition thereof, or any condition which may affect the Licensed Premises. Notwithstanding the foregoing, **Board** shall have the continued responsibility to maintain the Premises in good order and repair, normal wear and tear excepted.

Licensee shall have the right to ingress and egress through the halls and corridors and other areas of the building as provided herein, however, the common areas and public space (including but not limited to halls, corridors, lobbies, patios, food and beverage service areas, etc.) are expressly reserved to the **Board** for its right of use in any manner it deems appropriate.

The **Board** reserves the right to use and permit others to use the facilities and equipment of the Premises and related property, easements, and facilities under the control of the **Board**, except to the Licensed Premises during the term of this License. **Licensee** acquires no exclusive right to use the facilities and equipment of the Premises other than the use of the Licensed Premises during the License Term.

In the event **Licensee** exceeds ten (10) hours duration on a move-in or move-out day, **Licensee** shall pay **Board** an hourly rate for each excess hour, or part thereof, based upon the existing hourly rate charged by the **Board** for that facility.

Events permitted during the term of this License Agreement may not operate past 12:00 a.m. on show days unless a different time is specified in Exhibit A to this License Agreement. If an event is permitted by amendment to extend beyond 12:00 a.m., the **Licensee** agrees to pay to the **Board** an amount equal to one-tenth (1/10th) of the daily rate charged by the **Board** for that facility for each hour, or part thereof, that the event extends beyond 12:00 a.m. These additional sums, including any ancillary event related fees as specified below, shall be paid by **Licensee** in addition to the rental rates set forth in Section 2 of this License Agreement.

**SECTION 2
DEPOSIT, RENTAL RATE, ANCILLARY EVENT RELATED FEES,
FINAL SETTLEMENT AND PAYMENT**

Licensee shall pay to the **Board**, in U.S. funds, a total rental fee for the grant of this License in the amount of \$5,665.00, unless otherwise stipulated in Exhibit A, and covers (1) access to the common areas of the Premises and use of the Premises during the License Term and (2) an initial set of tables, chairs and trash cans in any Licensed meeting room.

A deposit in the amount of \$0.00, payable to the **Board**, is due along with this agreement signed by **Licensee** by **04/20/25**. **IF THE DEPOSIT AND EXECUTED AGREEMENT ARE NOT RECEIVED BY THE BOARD BY THE AFOREMENTIONED DUE DATES, THIS AGREEMENT SHALL BE CONSIDERED VOID.** Board shall not be obligated to hold calendar dates absent a signed License agreement and receipt of Deposit.

State Sales Tax: Pursuant to KRS 130.200 (AG) (AJ) effective January 1, 2023 rental of spaces for meetings, conventions, business use and social events, as well as parking services may

be subject to six percent (6%) sales tax.

The Deposit shall be credited against rental amounts invoiced by the **Board** pursuant to this License agreement. **All advance fees and Deposits are nonrefundable.**

Ancillary fees shall be equal to the total of fees for tables and chairs (other than the initial, complimentary set located in the meeting rooms), special equipment, utility hookups, internet and data connections, labor, security personnel, decorators and other, if any, services, goods and support personnel provided by the **Board** for **Licensee's** Event. **Board** reserves the right to require all rents and ancillary fees prior to the event as specified in **Exhibit A**. All rental sums as well as all other payments that become due pursuant to this License Agreement shall be paid immediately upon issuance of the **Board's** invoice for the rental or other amounts. Payment shall be made payable to the Kentucky State Fair Board and sent to:

Kentucky Venues
Attn: Accounts Receivable
PO Box 37130
Louisville, KY 40233-7130

Electronic payment may be made using the following link: <https://kyexpo.org/payment/>

Other services as requested by **Licensee**, required by **Board** for safety or security, or necessary to conduct **Licensee's** Event and as agreed to by the Parties, may be provided at additional costs to **Licensee** at prevailing rates.

Following the close of the event, the **Board** shall provide an invoice to **Licensee** for the balance of all unpaid expenses which shall be due and payable within thirty (30) days of receipt of final billing. After thirty (30) days, interest on the unpaid balance shall accrue at the rate of 1.5 percent (1.5%) per month. If the unpaid balance plus interest ("Arrears") is not paid within sixty (60) days following receipt of final invoice, the **Board** may (1) remove **Licensee** from the booking calendar for all future events reserved, and (2) automatically terminate all other executed License Agreements between the Parties for future events held at the Premises and render same null and void upon written notice by **Board**. In addition, **Licensee** further agrees to pay all costs of collecting, securing or attempting to collect all past due invoices, including reasonable attorney's fees.

SECTION 3 EXCLUSIVITY, SPONSORSHIP, AND ADVERTISING DISPLAYS

The **Board**, reserves for itself or its agents, contractors or concessionaires the exclusive right to provide the following sales and services: (i) food and beverage services (No outside food and beverage may be brought onto the Premises without written approval of the **Board**); (ii) electrical services; (iii) telecommunications and data services; (iv) utilities; (v) parking; and (vi) event staffing and security.

Licensee shall not engage in or undertake the sale of any of the aforesaid articles or

privileges, without the prior written consent of the **Board**. The **Board** reserves the right to operate, or have operated, provided or have provided, distribute and receive income from all exclusive contracts.

Board retains the rights to use all display advertising capabilities on the Premises in the public spaces of the Premises and outside the Premises. **Licensee** may purchase rental packages for advertising and branding within the public spaces of the Premises and outside the Premises.

SECTION 4 ADMISSION TICKETS

If the **Licensee** use of the “Licensed Premises” involves an event for which tickets are sold to the public, then, in that circumstance, the manner of purchasing, selling and accounting for such tickets shall be set forth in Exhibit A to this License Agreement.

SECTION 5 BUILDING POLICIES, EVENT PLANNING GUIDES

Licensee acknowledges receipt of the **Board’s** Event Planning Guide, incorporated by reference and a part of this License Agreement as **EXHIBIT B**. **Licensee** agrees that it will strictly comply with the terms and conditions contained therein effective during the term of this License Agreement. The Parties acknowledge that the Event Planning Guide is subject to modification as a result of changes. Should such change occur, **Board** will notify **Licensee** within thirty (30) days.

Failure to comply with or perform any of the terms or conditions contained in the Event Planning Guide and failure to immediately remedy same upon oral notification by **Board** shall result in written notification of each violation. Should **Licensee** receive more than three (3) written violation notices during an event or calendar year the following shall occur: (1) **Licensee** shall be removed from the booking calendar for all future events, and (2) all other executed License Agreements between the Parties for future events shall be terminated and rendered null and void; both upon written notice.

SECTION 6 FLOOR PLANS, PERSONNEL STAFFING PLANS, RIGGING

Licensee shall submit all floor plans to the **Board** for approval by the **Board** within sixty (60) days prior to any scheduled activities within the Licensed Premises. Modified floor plans and related event arrangements shall be re-submitted for approval no later than twenty-one (21) days prior to the first day of move-in. Failure to comply with this provision may result in additional expenses. Complying with these deadlines will help to ensure that the event expenses projected for **Licensee** will remain within the allotted budget.

Licensee shall submit a personnel staffing plan to the **Board** at least sixty (60) days in advance of and as a condition to the opening of **Licensee’s** Event. The plan shall specify the

number and purpose of personnel that the **Licensee** intends to secure to ensure proper staffing of **Licensee's** Event. Personnel required to properly staff **Licensee's** Event may include ticket sellers, ticket takers, security, police officers, event staff, ushers, first aid, and any other personnel necessary to conduct **Licensee's** Event in an orderly and safe manner and shall be paid for by the **Licensee**. **Board** reserves the right and has final approval to require certain personnel, including staffing for security and police officers, to be included in the plan.

Kentucky Venues follows the current National Fire Protection Association Life Safety Code requirements for "Trained Crowd Managers" in public assembly venues. The required ratio of trained crowd managers to occupants will be determined based upon the nature of the event and attendees, projected levels of occupancy, and the adequacy of means of ingress and egress at the Premises.

If applicable, **Licensee** shall submit to the **Board** a scale drawing detailing the rigging plots for any equipment intended to be hung from the ceiling. The rigging plots shall be approved by the **Board** at least twenty-one (21) days prior to the first day of load-in. Failure to comply with these requirements may result in restriction of access and probable delays in producing **Licensee's** Event.

SECTION 7 REQUIREMENTS OF BOARD

Board shall:

At all times have full access to the Licensed Premises and have the right to control the operation and maintenance of the Premises, including the right to remove any person who, in the sole judgment of the **Board**, is disrupting or obstructing the proper operation and management of the Premises.

Have the authority to issue such regulations, orders, and directives and make such announcements as it may deem necessary for the safe and orderly operation of the Premises, and to cover any matter not otherwise provided herein at the discretion of the **Board**.

Comply with all applicable provisions of the Americans with Disabilities Act (42 U.S.C. Section 12101, et seq.) and make reasonable accommodations for qualified persons with disabilities if readily achievable as provided by law.

SECTION 8 REQUIREMENTS OF LICENSEE

Licensee shall:

Use the Licensed Premises and conduct its operations in a safe and careful manner.

Permit access by the **Board** to the Licensed Premises.

Comply with all federal, state and local regulations, rules and board policies, including

but not limited to those regulations, rules and polices contained in the Event Planning Guide, Exhibit B, and any orders and directives of the **Board** and State Fire Marshall that the **Board** or State Fire Marshall may give to **Licensee** related to **Licensee's** use of the Premises

Not interfere with the **Board** in the exercise of its powers to ensure the safe and orderly operation of the Licensed Premises.

Conform to all statutes, regulations, orders, ordinances and directions of any government entity having jurisdiction over **Licensee's** use of the Licensed Premises and to ensure **Licensee's** contractors and sub- contractors comply as well.

Verify the safety of all exhibits, materials, machines, equipment and structures placed by **Licensee** within the Licensed Premises and to use its best efforts to ensure that each exhibitor abides by all the rules and regulations relating to the safety of exhibit materials, machines, equipment and structures for space contracted by **Licensee** in relation to this License.

Shall not interfere with any other **Board** licensed use of the Premises and related property, easements, and facilities under the control of the **Board**.

Shall not place any exhibit, equipment or vehicle in the Licensed Premises which, in the sole judgment of the **Board**, is dangerous or otherwise incompatible with the Licensed Premises.

Shall not without prior written and express permission of the **Board**:

Cause or permit anything to be done in the Licensed Premises, or to **Board's** equipment, that in any way may damage, mar, deface or alter it. The **Licensee** shall be financially responsible for rectifying any such damage.

Resell, mark-up or allow their contractors to resell or mark-up any exclusive services provided by the **Board**, including but not limited to (i) food and beverage services (No outside food and beverage may be brought onto the Premises without written approval of the **Board**); (ii) electrical services; (iii) telecommunications and data services; (iv) utilities; (v) parking; and (vi) event staffing and security.

SECTION 9 INSURANCE AND INDEMNITY

Because the Board and the Licensee are both agencies of the Commonwealth of Kentucky which assert the defense of sovereign immunity pursuant to Kentucky Constitution Section 231 and resolve tort claims under provision of KRS Chapter 49, any and all claims, demands, actions or causes of action arising or resulting directly from the use, occupancy of leasing by the Licensee of premises, including without limitation the claims of any employee, decorator, agency subcontractor, etc. of the Licensee, and the claims of any person attending the event for which the premises have been leased, and the claims of any other person, or claims for damages to the property of any such employee, agent or person shall be referred to the Office of Claims and Appeals/Board of Claims of the appropriate court or other tribunal in contractual disputes and shall be defended there by the Licensee or the Board as their respective interest may lie, to the extent permitted by Kentucky law.

**SECTION 10
COMPLIANCE WITH LAWS,
ACTIONS ARISING FROM LICENSE**

Licensee shall comply with all federal, state, county and city statutes, regulations and ordinances, including but not limited to the applicable provisions of the Americans with Disabilities Act (42 U.S.C. Section 12101, et seq.) and make reasonable accommodations for qualified persons with disabilities if readily achievable as provided by law, in relation to the programs and activities that are part of the event contemplated in this License.

Licensee shall also comply with all other applicable federal, state, county and local laws related to necessary licenses, permits and approvals that may be required in connection with **Licensee's** use of the Premises for its event. If **Licensee** fails to obtain any required license, permits or approval, Board may, but is not obligated to, obtain such licenses, permits or approvals and **Licensee** agrees to reimburse **Board** for all associated costs and expenses.

This License is governed by the laws of the Commonwealth of Kentucky and any action concerning this License shall be instituted only in the Circuit Court in and for Jefferson County, Kentucky, or as provided by law in such other court.

**SECTION 11
TRADEMARKS, LOGOS,
PUBLICITY**

The **Board**, at its absolute and sole discretion, reserves the right to restrict, condition or prohibit **Licensee's** use of the name, trade name, logo, trademark, or image of the building in any type of advertising or promotion media including, but not limited to, print, website, social media, and television.

Licensee shall submit all advertising and brochure copy that references the Kentucky Exposition Center or Kentucky International Convention Center, parking fee, and dates and times of **Licensee's** Event to the Event Manager for approval prior to advertising or distribution. Advertisement of **Licensee's** Event shall state the exact event location, identification of organization producing the event and specify that parking fees will be charged, as applicable. The **Licensee** is responsible for publicizing parking information and directions. Publicizing shall not be permitted until this License is fully executed.

Licensee assumes all costs and expenses arising from the use of patented, trademarked or copyrighted materials, equipment, devices, or processes used in its operations under this License; **Licensee** shall indemnify and hold harmless the **Board** from all damages, costs and expenses incurred with regard thereto.

**SECTION 12
CANCELLATION,
NON-USE OF PREMISES/FORCE MAJEURE,
EVACUATION**

If **Licensee** cancels this License prior to the License Term, any Deposits paid shall be forfeited as Liquidated Damages. The Parties agree that damages to **Board** resulting in cancellation of the Licensed Premises would be difficult to determine because of the loss of revenue from ancillary and other services anticipated by this License Agreement. Because of this difficulty in determining the resulting damages, the Parties agree that if **Licensee** cancels its event more than three (3) years before the first scheduled day of the event, fifty percent (50%) of the total rental fee shall be paid by Licensee as Liquidated Damages. If Licensee cancels three years or less before the first scheduled day of the event, one hundred percent (100%) of the total rental amount shall be paid by **Licensee** as Liquidated Damages.

Should use of the Licensed Premises be prevented as a result of an event beyond its control, including but not limited to, strikes, national emergency, acts of God, war, acts or threats of terrorism, pandemic, government regulations, disasters, civil disorder, curtailment of transportation facilities or services, all of which shall have a direct and local impact to the services contemplated herein which makes it illegal or impossible for **Licensee** or **Board** to perform its obligations under this License (“Force Majeure Condition”), either party may, upon prior written notice to the other, cancel this License without penalty.

In the event the General Manager or his designee determines that the Premises shall be evacuated for public safety reasons, **Licensee** may use the Licensed Premises or such additional time as may be necessary to complete the activity contemplated under this License without additional License fees, provided that such use does not interfere with any other use of the Licensed Premises. If it is not possible to complete such activity, the License fees shall be prorated or adjusted at the discretion of the **Board**. In such an event, **Licensee** waives any claim for damages or compensation from the **Board**.

**SECTION 13
ASSIGNMENT**

Licensee is prohibited from assigning its License rights or sub-licensing the Licensed Premises. This provision is not applicable to **Licensee’s** exhibitors who may contract with Licensee for exhibit space. In the event **Licensee** violates this prohibition, **Licensee** will be subject to a payment equal to the approved License fee for the space sub-licensed.

**SECTION 14
RECORDINGS**

Licensee shall not transmit or record for commercial purposes any portion of **Licensee’s** production of its event by radio, television, motion picture, video tape, sound recording or otherwise; provided that **Licensee** may authorize bona fide news coverage of its production of its event by established news media solely for dissemination as news and not otherwise for sale or advertisement purposes. Nothing in this section shall prohibit **Licensee** from recording the production for its own event purposes such as virtual participation, training or quality assurance.

**SECTION 15
VACATING, HOLDOVER
AND PROPERTY STORAGE**

Upon the termination of the Term, **Licensee** shall vacate the Licensed Premises and return the **Board's** facility and equipment in the same condition and repair as originally furnished to **Licensee**, excluding normal wear and tear only.

Unless **Licensee** is prevented from vacating the Licensed Premises within one hour of the end of the License Term by a Force Majeure condition or an evacuation as provided herein, **Licensee** shall pay an additional charge of the entire published daily rate for the Licensed Premises ("usage"). "Usage" includes the period necessary for the removal by the **Board** or **Licensee** of any equipment, exhibits or other material within the Licensed Premises for each day or fraction thereof of delay. The liability established under this paragraph does not extend the Licensed Term and is intended to compensate the **Board** solely for additional use of the Licensed Premises by **Licensee**, and does not preclude the **Board** from asserting any other rights against **Licensee**. The amounts set forth in this paragraph shall become due and payable thirty (30) days after **Licensee** vacates the Licensed Premises and shall be subject to the same penalties enumerated in Section 2 above.

In the event the Licensed Premises are not vacated by **Licensee** at the end of the term, the **Board** is authorized at **Licensee's** expense, to remove therefrom and to store all goods, wares, merchandise and property of any kind placed therein, and the **Board** shall not be liable for any damages or loss to such property resulting from such removal and storage and the **Board** is hereby expressly released from any and all such damages or loss.

**SECTION 16
BREACH, DEFAULT, REMEDIES,
TERMINATION**

Upon the occurrence of any of the following events, the **Board** shall have the power to invoke any of the remedies set forth in this Section:

Default made by **Licensee** in the performance of any of its obligations under this License;

Damage to the facilities or equipment caused or permitted by **Licensee**;

Filing by or against **Licensee** of a petition of bankruptcy, criminal arrangement, appointment of a receiver or trustee of all or a portion of the assets of **Licensee**, or making an assignment for the benefit of creditors.

The **Board** may upon the occurrence of any of the events set forth above to undertake any or all of the following remedies:

Require of **Licensee** additional security for the performance by **Licensee** of its obligations hereunder;

Declare this License terminated and revoke the License granted hereunder;

Without further notice, enter and take exclusive possession of and remove all persons and property from **Board's** facilities, and equipment, without the necessity of resorting to any legal proceedings;

Withhold all sums held by the **Board** for **Licensee** and, without the necessity of resorting to any legal proceeding, apply such sums to any claim the **Board** may have against **Licensee**;

Bring action against **Licensee** to recover any fees due hereunder and any damages sustained by the **Board**.

**SECTION 17

Notices provided under this License shall be sent by first class mail, express courier, fax, or electronic means to the Parties as follows:

**SECTION 18
DAMAGE TO THE PREMISES**

If any portion of the Licensed Premises or common areas or any equipment contained therein shall be damaged by the act, default or negligence of **Licensee**, or of **Licensee's** agents, contractors, employees, exhibitors, guests, patrons or any person for whom **Licensee** is responsible or invited to the Leased Premises, **Licensee** shall pay to **Board**, upon demand, such sum as shall be necessary to restore said Licensed Premises or equipment contained therein to their original condition.

**SECTION 19
WAIVER**

No waiver by either party of any default shall operate as a waiver of any other default, or the same default on a future occasion. No delay or omission by either party in exercising any right or remedy shall operate as a waiver thereof, and no single or partial exercise of a right or remedy shall preclude any other or future exercise thereof, or the exercise of any other right or remedy.

No outside alcohol or beer may be brought onto the premises for sale or consumption. Any questions related to purchase of alcohol during your event should be directed to Levy.

Compliance With Laws

The Licensee shall not discriminate against any person. Licensee shall not directly or indirectly display, circulate, publicize or mail any advertisements, notices, or communiqués, which state or imply that any facility or services shall be refused or restricted due to discrimination.

Confederate Battle Flag Merchandise

Kentucky Venues strives to create on its premises, including the Kentucky Exposition Center and the Kentucky International Convention Center and its surrounding licensed properties, a welcoming environment for all, regardless of race, color, ethnicity or cultural background and recognizes that the Confederate Battle Flag (also known as the Rebel Flag or Stars and Bars), is offensive to many persons. Therefore, while Kentucky Venues itself does not sell or giveaway any merchandise that resembles the Confederate Battle Flag or bears the image of the Confederate Battle Flag, all new contracts or renewals of existing contracts for events in the future shall include a ban on the sale or giveaway of any merchandise that resembles the Confederate Battle Flag or bears the image of the Confederate Battle Flag by its long and short term Licensees and their vendors, exhibitors and participants, with limited exceptions related to history books or other educational and interpretive media where the Confederate Battle Flag is depicted in its historical context.

Kentucky Venues strongly encourages adherence to this policy by its exhibitors, vendors, participants and long and short term Licensees and their vendors, exhibitors and participants who are operating under existing contracts.

Drone Policy

Kentucky Venues has established the following drone policy for the Kentucky Exposition Center (KEC) and Kentucky International Convention Center (KICC):

A Drone or Unmanned Aerial Vehicle (UAV) is defined as a "powered, aerial vehicle that does not carry a human operator, uses aerodynamic forces to provide vehicle lift, can fly autonomously or be piloted remotely, can be expendable or recoverable, and can carry a payload".

In order to ensure the safety of all patrons at the Kentucky Exposition Center and Kentucky International Convention Center, drones are allowed on the property with the following requirements:

- Drones are not allowed inside any Kentucky Venues facility during move-in, show hours, and/or move-out without the express written consent of Kentucky Venues
- Drones are not allowed outside any Kentucky Venues facility without the express written permission of Kentucky Venues and the FAA
- Drones are not allowed to fly over nor hover above areas with people. Examples include: standing crowds, occupied exhibit space, seating areas and pre-function space
- Drones may fly over occupied stages if a written waiver of liability is filed between the drone operator and stage performers. Signed waivers must be submitted

Event Planning Guide

If the Licensee would like to use a drone, a written request needs to be submitted to the event's Event Manager and the Director of Safety and Security of Kentucky Venues for review and approval:

- Name of pilot operating the drone
- Pilot's experience level and other events they have flown the drones
- Type of aircraft (Quad Copter, Helicopter, Airplane, etc.) and make and model
- Frequency used
- Proposed payload and payload weight
- Time(s) the drone will be in operation
- Location(s) the drone will be operated (Flight Plan)
- If a Licensee would like to attempt to fly the drone outside of the building, The FAA approval must be secured and presented to the facility management.
- Copy of Drone Liability Insurance with one million dollars in coverage.

Licensee is liable for any and all damages to persons, property, and any litigation arising from the use of drones or UAVs operating on or in any Kentucky Venues facility.

Kentucky Venues and its employees shall be held harmless as a result of any operation of a drone or UAV on or in any Kentucky Venues facility.

Fire Marshal Requirements

The following are the State Fire Marshal's minimum fire safety requirements and shall be applied at all shows (trade, commercial or otherwise) and shall apply whether the exhibit space is open or closed to the public.

Kentucky Venues follows the current National Fire Protection Association (NFPA) Life Safety Code requirements for Trained Crowd Managers in public assembly venues. One (1) Trained Crowd Manager is required for every 250 guests.

1. Accurate-to-scale floor plans for the entire show shall be submitted to the Kentucky State Fire Marshal's Representative (KSFM Representative) in care of the Kentucky Exposition Center not less than 60 days prior to move-in and setup of the area being reviewed. Plans shall be dimensioned as well as show size and location of booths, exits and aisles. One additional reviewed plan will be returned to the Licensee, if requested, subject to an on-site inspection by KSFM Representative.
2. The display and operation of any cooking or heat producing appliances, pyrotechnics, use or storage of flammable liquids, compressed gases or any other process deemed hazardous by the State Fire Marshal must have advance approval by the KSFM Representative before it is brought to the Kentucky Exposition Center.
3. Any motor vehicles, gasoline-powered equipment, tools, etc., on display shall have their batteries disconnected. All fuel tanks that are not equipped with locking gas caps shall have the gas caps sealed with tape. All such fuel tanks shall be less than one-fourth full. Event Planning Guide

7. All exhibits, signage and displays must be "Open Top" and not interfere with the facility fire detection and suppression system.
8. "Closed Top" displays including canopies, horizontal signs, displays with roofs and multilevel displays. Closed top displays must have prior written approval from the KSFM Representative. Approval requests for multilevel displays must be submitted 90 days in advance of the show and include stamped engineer drawings of the structural components. Enclosed displays must have a working smoke detector, which is audible outside of the enclosure, and a fire extinguisher (2-A:10B:C at minimum).
9. During occupancy hours, aisles and exit doors shall be maintained free of all obstructions and unlocked for immediate use in the event of an emergency.
10. Signs designating exits and the direction of travel to exits approved by the KSFM Representative shall be provided by the Licensee and in place prior to the show's opening.
11. Additional fire extinguishers may be required at the discretion of the KSFM Representative.
12. All electrical devices and installations shall be in accordance with the applicable provisions of the National Electrical Code. All electrical devices must be listed by an approved listing agency (Underwriters Laboratories, Factory Mutual or Underwriters Laboratories Canada). All electrical extension cords used shall be of the heavy-duty type (at least 14-gauge wire). Lightweight cords of the lamp cord variety are prohibited: any cords and or devices that present a hazard will be subject to confiscation.
13. All Licensees, exhibitors and show personnel shall adhere to all other fire safety laws, regulations and codes that have been duly adopted
14. Kentucky Venues shall require security where occupants are allowed to reside overnight inside of any state-owned structure on the grounds. Security personnel shall be familiar with emergency response in the event of fire or other emergency, and perform regular surveillance of the areas where lodging occurs.
15. Licensee shall provide a list showing the number and location of persons boarding/dwelling overnight within the general vicinity of their exhibits.
16. It shall be the responsibility of the Licensee/show manager to see that the above regulations are followed.
17. Licensee will be responsible for making key personnel (including security) aware of and familiar with the facility's emergency procedures, which would include (but not be limited to) fire, bomb threats, inclement weather, etc.

Firearms Policy Licensee

As state government facilities, Kentucky Venues does not prohibit persons able to lawfully possess a firearm from carrying concealed firearms or open carry firearms on the premises at either the Kentucky International Convention Center or the Kentucky Exposition Center. At their discretion, individual Licensees of Kentucky Venues shall have the option to restrict firearms during their event in the exhibit hall, ballroom, meeting room, outdoor, or other area leased by the Licensee. Staff of Kentucky Venues shall contact law enforcement in the event of any alleged illegal patron conduct.

First Aid Policy

Kentucky Venues has established the following First Aid Policy for the Kentucky Exposition Center (KEC):

Events promoted by Kentucky Venues will use the American Red Cross (ARC) and Licensees are encouraged to use ARC also but it is not mandatory as long as the minimum requirements set forth below are met by an alternative provider. The ARC may be contacted at **(502) 561-3706**.

Event Planning Guide

To ensure the safety and proper care of all patrons at Kentucky Venues, the **MINIMUM FIRST AID** requirements during events at KEC are outlined below:

Broadbent Arena

All Events: One (1) team

Freedom Hall

All Events: One (1) team

North Wing, South Wing, West Wing & Pavilion

All events in the North Wing, West Wing and Pavilion will have one (1) team per non-adjacent area. For the South Wing (A, B, and C), there will be one to three (1-3) teams based on the show/shows taking place at that time.

Other Areas (Meeting Rooms, East Hall, West Hall & Outside Areas)

First aid requirements to be determined by Event Manager

(Unless the history of the event or other information would indicate a need for first aid. This will be determined by Kentucky Venues Public Safety Manager.)

Livestock Shows

All Events: Based upon history of the event or similar events.

One team consists of (2) people trained and certified as an Emergency Medical Responder or higher certification in the Commonwealth of Kentucky.

These minimum recommendations are subject to increase in number of personnel and/or level of service. The Kentucky Venues Event Manager will work with the Kentucky Venues Public Safety Manager to determine if increases are necessary. The Assistant Director of Security will be the final authority on the matter. Increases are based upon the following criteria (but not limited to them):

- Type of event
- History of the event or similar events
- Anticipated attendance
- Resumes, work experience and references of team members

For most events, the hours of coverage are the hours the event is open to the public. For trade shows and some public shows, the hours could include the scheduled times for move-in and move-out.

The Licensee may select their first aid provider but is required to coordinate this with the Kentucky Venues Event Manager and Kentucky Venues Assistant Director of Security. The organization providing first aid must meet the following criteria:

- Provide Kentucky Venues proof of liability insurance
- Provide copies of BLS and CPR Certifications of first aid team members including contact information and a photocopy of identification
- Provide resumes, work experience and references of team members
- Provide approved communication between first aid team members and Licensee as well as with Kentucky Venues staff. Communication can be by two-way radio or telephone
- Be familiar with the Kentucky Exposition Center facility and emergency procedures

Event Planning Guide

- Provide the following basic first aid supplies and equipment: two way radios for communication; gauze bandages; non-stick sterile, rolled, flexible or stretch gauze; bandage tape, adhesive strip bandages; triangular bandages; splints of various sizes; ladder splints; eye dressing or pads; crash scissors; tweezers; safety pins; thermometers; flashlights; disposable latex gloves of all sizes; wheel chair; back board; peroxide; alcohol; antibiotic cream; finger splints; tongue depressors; alcare foam; sterile water; blood pressure cuffs; stethoscopes; sterile burn sheets; large and small combine dressings; AED; and other supplies as needed
- Maintain and provide a log to the Assistant Director of Security containing the minimum information of the name of patron, date and time of the services sought by the first aid provider. This requirement is not intended to impede the HIPPA, but rather provide the facility with a measurement of usage of first aid services during the event.
- Maintain medical and treatment records in accordance with all HIPAA laws and regulations

Items Representing Racist Ideology

The Kentucky Venues strives to create an environment on its premises, including the Kentucky Exposition Center and the Kentucky International Convention Center and its surrounding licensed properties, a welcome environment for all, regardless of race, color, ethnicity or cultural background and recognizes that certain items that clearly represent racist ideology including but not limited to Ku Klux Klan items, items reproduced since World War II denoting swastikas are offensive to many persons; therefore, while the Kentucky Venues itself does not sell or giveaway any merchandise that resembles the aforementioned, the Kentucky Venues hereby prohibits the sale or giveaway of any merchandise on its premises that resembles the aforementioned items. This policy shall become a ban on the sale or giveaway of any of the merchandise offered for sale or giveaway at the Kentucky Exposition Center and the Kentucky International Convention Center as described above.

Free Speech Policy

The policy outlined in 303 KAR 1:080 ensures the balance between the right to demonstrate and the uninterrupted operation of events at the Kentucky Exposition Center. This regulation maintains a structured environment where free speech can be exercised without impeding the primary functions of licensed events. The Kentucky Exposition Center serves as a limited public forum, with designated "free speech zones" where demonstrations can occur, provided they do not block entryways and align with reasonable, viewpoint-neutral restrictions. The policy does not cover private, closed events, where demonstrators must contact event organizers to arrange participation. The full policy is available at <https://kyvenues.com/free-speech-policy/>.

Please reach out to your Event Manager for further details or questions.

Minor Attendance Policy

Attendance age and custodial care requirement

Kentucky Venues has established the following Minor Attendance policy for the Kentucky Exposition Center (KEC) and Kentucky International Convention Center (KICC):

Kentucky Venues welcomes children to attend events at our facilities and properties. However, the safety and well-being of children on the premises of Kentucky Venues are of serious concern. It is the intention of this policy to enlist the cooperation of parents and other adults responsible for children to ensure that our facility provides a safe and pleasant experience for all. Responsibility for children attending the facilities rest with the parents/guardian/assigned chaperone, not with Kentucky Venues personnel.

Children and minors are classified as any youth under eighteen years of age.

Chaperone by definition, will include parents, coaches, teachers, other parents, organizational leaders and show managers having responsibility for children. Siblings and babysitters over the age of sixteen and having a means of transportation to and from the facility will also be considered a valid chaperone.

Event Planning Guide

Unattended Children

Children age eleven and younger are required to have a chaperone with them at all times.

Children age twelve and thirteen are required to have a chaperone with them on-site while attending events operated at Kentucky Venues.

If a child in these age groups is found unattended, the staff will attempt to locate the chaperone and inform him/her of the rules. If a chaperone cannot be found, the police will be called for assistance to determine the child's parent/caregiver.

This is a particular concern in inclement weather, after dark, and at the closing of the facility. All children should have the telephone number of someone who can assist them in an emergency. When the safety of an unattended child is in doubt, the parent or responsible caregiver cannot be located, or if the facility is closing, staff is authorized to call the police and stay with the child until the police arrive.

Disruptive Children

Disruptive behavior is considered to be behavior that represents a physical danger to the child or others, or behavior that interferes with other patrons or staff. Disruptive behavior that is unacceptable includes, but is not limited to:

- Running, chasing, horseplay
- Screaming, shouting, yelling, or other intentional nuisance noise
- Abnormal, erratic behavior that hinders normal facility use
- Pushing, hitting, fighting, biting
- Bullying
- Jumping on furniture or event displays
- Uninvited loitering or trespass on Kentucky Venues property
- Gathering in unsupervised disruptive juvenile groups
- Playing on or around escalators and elevators

Staff will approach disruptive children in the following manner:

- Give a verbal warning to the child, indicating that such behavior is disruptive to others and is unacceptable.
- If the disruptive behavior continues, we will approach the chaperone with the same warning. If the child is unattended and under the age of thirteen, the staff will seek an appropriate resolution that is safe to the child's welfare and seek to remove them from the property by returning them to their parent or guardian.
- Continuously disruptive unaccompanied children over the age of fourteen will be directed and escorted to leave the property. Before removal, every attempt will be made to contact a guardian for pick-up.
- If the disruptive behavior continues at any age and an appropriate return to guardianship cannot be reasonably acquired, police assistance will be utilized.

Minor Age Guide

0-11 requires a chaperone to be with the child at all times.

12-13 requires a chaperone to be on-site.

14-17 can attend without a chaperone.

16-17 can act as a babysitter or chaperone, must have access to transportation to and from the site.

Event Planning Guide

Tobacco-Free Policy

All indoor facilities are designated as smoke-free spaces. There is a ban on all tobacco products including, but not limited to snuff, dip, chewing tobacco, electronic cigarettes, and vaping devices indoors. Smoking is permitted outdoors but must be done a minimum distance of 25 feet from building entrances. This policy is strictly enforced and violators are subject to removal.
