

March 2025
Director of Student Services
Board Report

Custodial/Maintenance

- Facility improvements identified. Currently planning for summer improvements with custodial staff.
- Maintenance on equipment in progress with Crescent Springs Hardware. Equipment includes Mowers, gator, quad, blowers and trimmers.
- Preparing for classroom moves and maintenance request for summer work.
- Emergency replacement of 100 gallon hot water heater at LES on 3/17. This tank supplied water to the cafeteria side of the building. The total cost for replacement was \$10,255.
- We will receive training for the new chiller at LES on 4/7.
- Frie Alram Panel at DHS had a short circuit which damaged the wiring. Emergency repairs were made with Silco.
- Lights from Energy Optimizers are continuing to be replaced under warranty.
- New doors at LES and DHS were painted.

School Safety

- Facility safety walks were completed and in the process of prioritizing improvements in coordination with our Threat Assessment training on 4/18.

Transportation

- No major bus repairs over the past month.
- The new bus is still scheduled to be delivered in July.
- 30 total student trips scheduled for March.
- Bus driver training is in progress with Mr. Bird. We have 4 qualified subs being trained.

Project One Update

- Field house is TBD, it is in Cincinnati waiting on delivery. The erector crew for the fieldhouse is on site and standing by.
- Retaining wall excavation to begin in the next 2 weeks for the new playground.
- Siding for field house and concession bld are on site, roofing for Field House is on site.
- Score Board to be delivered on 3/28.
- Concrete work will be completed as scheduled.
- Beginning discussions for landscaping design.

Student Attendance

- Enrollment as of 3/25 is 733 – 378 at LES and 355 at DHS.
- Attendance percentage through 3/25 – District - 93.14%, LES - 94.28%, DHS – 91.95%
