## OHIO COUNTY FISCAL COURT OFFICE OF THE TREASURER

April 8, 2025

RE: Ky Agency for Substance Abuse Policy (ASAP)

Ohio County Fiscal Court

As you are aware the Ohio County Fiscal Court acts as the Fiscal Agent for the Ohio County KYASAP Program. This Program makes available funding for community drug prevention projects. The Grant Program runs \$40,000 through the Ohio Co Fiscal Court Budget each year. The Grant is distributed by the State in payment(s) of \$20,000 typically issued in October and March of each budget year. The KYASAP Board wishes to thank you for support in this program by acting as Fiscal Agent.

In the past the county has 'fronted' these funds by making them available July 1 of each fiscal year. This letter is to confirm your continued support of this Board.

If you have any questions please do not hesitate to call.

Anne Melton  
County Treasurer  
Ohio Co KYASAP Board Coordinator
