

Memorandum of Agreement

Breckinridge County Board of Education Campbellsville University School of Education

This Memorandum of Agreement (MOA), dated 04/17/24 is for the purpose of creating an Option 9 LBD program in partnership between the Breckinridge County Board of Education and the Campbellsville University School of Education in accordance with 16 KAR 9:110 and KRS 161.048. The MOA beginning July 1, 2024 and ending June 30, 2027 hereby contains the following provisions.

- The new Option 9 LBD program called Breckinridge County/Campbellsville University Option 9 LBD Program will be exclusively available to classified employees who work in the Breckinridge County School District. Candidates will complete the EPSB approved LBD Certification Program for Campbellsville University. Candidates who successfully complete the program and pass the licensure exams will earn a bachelors degree and certification to teach students with learning and behavior disabilities in grades P-12 in three years.
- Campbellsville University will offer all 120 credit hours of coursework online. Synchronous education courses will be offered in the evenings during the regular academic year. Asynchronous general education courses will be offered not only during the regular academic year, but also during the January and May terms, and during three summer terms. Candidates will be required to take classes year-round in order to complete the 120 hours within a three-year time period. Candidates will also be required to complete the same 200 field experience hours that traditional candidates complete as per 16 KAR 5:040 within the first two years of residency. Breckinridge County Schools will maintain electronic records of field experiences that confirm that all residents have fulfilled the field experience requirements and share these records with the Campbellsville University School of Education.
- Breckinridge County Schools will employ candidates admitted to the program either part time or full time for three years in a classified position. During the third year, residency, the candidate will be employed full time in the area of certification sought. The resident will not have responsibility for supervision or instruction of students without the direct supervision of a certified educator.
- During the year-long residency, a Breckinridge County cooperative teacher and CU university supervisor will follow the EPSB approved Campbellsville University protocols for observing and evaluating student teachers including a minimum of four observations. Breckinridge County Schools will maintain electronic records that ensure that confirm that all third-year residents meet the student teaching requirements and will share them with the Campbellsville University School of Education.
- If Breckinridge County Schools ends the program, they will not accept new candidates but will continue the partnership until the candidates currently in the program complete the program or are no longer employed by Breckinridge County Schools.
- This program is offered with the realization that Breckinridge County Schools is not obligated to offer employment as an LBD teacher to a candidate upon program completion and/or the candidate may choose to seek employment outside of the district upon completion of the program.

- This program shall not negatively impact the accreditation of the Campbellsville University School of Education.
- This program will be under the immediate supervision of the Dean of the School of Education, Dr. Robin Magruder, (270) 789-5139, rlmagruder@campbellsville.edu.
