- Start time for an official begins at weigh-in or when the official reports to the site if later than weigh-in. All worked time will be rounded up to the nearest half-hour. For example, an official who finished at 7:35 would be paid until 8:00.
- Officials (or the assigning secretary if no official contacts have been given to the school) must be notified at least one hour before weigh-ins or be paid a fee of \$25.00.
- If a weekend tournament is being hosted and the host has three mats, the host will pay \$25.00 / hour X 3 mats for the officials. If the match lasts 9 hours, the total pay would be \$225.00 per mat or \$675.00 total. If the officials decide to have an additional official present, the total of \$675 would be divided four ways or \$168.75 per official. If a school requests an additional official, the full amount for each official per hour would be paid.
