III) Tournament Managers

The Commissioner will appoint a manager for each of the regional tournaments and the team section tournament and shall serve as the manager for the state tournament. The Commissioner may appoint as many assistant managers as deemed necessary to manage the event. It is the duty of each tournament manager to notify the regional schools of the time and place of the tournament as well as the team section tournaments, to supply the proper entry blanks, to invite the participation of all of the schools, and to make all arrangements for the tournament. It is an explicit duty of each tournament manager to inform the association IMMEDIATELY as to the bracket / pairings / entries / results when requested by KHSAA staff and according to the time deadlines provided including the actual site of the tournament if it is not held at the school. The Board of Control has approved the policy that the receipts of a tournament can be assessed (a fine levied against the manager) for failure to comply with these provisions.

IV) Eligibility to Enter Tournament Play

A contestant shall have competed in at least four (4) high school matches on a team representing a member school to be eligible to participate in postseason play. All matches played in a tournament during the season count as one match of the four (4) required to qualify for regional play.

V) Contestants

A school may list entrants using the entry form provided by the Association which is to be submitted to the manager of the regional tournament by the deadline published in the tournament instructions.

This list shall include all names of anyone who is to be eligible to participate in the postseason as additions to the list are not allowed, with the exception of a documented clerical error as referred to in Bylaw 14. Any player whose name is on the eligibility list may be substituted on a team prior to the time of the draw for the regional tournament. After the draw is final, the regional tournament manager may allow substitution in singles or doubles if the original entry is prevented from participating due to circumstances due to injury/illness. No advantage may be gained by a substitution or it will not be permitted.

The champion, runner-up and other two semi-finalists in both the singles and doubles regional tournaments shall qualify for the individual State Singles and Doubles Tournaments (top 4 finishers from each region).

The regional winning team shall advance to team section play to be held the Saturday prior to the State Tournament,
