Mr. Nathan Howton
Hopkins County School District
110 Sugg Street
Madisonville, KY 42431

Dear Mr. Howton:

Thank you for submitting an application for the *State Agency Children's Funds Special Allocation of Targeted Funds*. The KECSAC team reviewed your proposal on March 5, 2025, to ensure the request satisfied the criteria specified.

KECSAC is pleased to announce your proposal for **Hopkins County Day Treatment** has been funded for the total amount of **\$8,000.00**. As noted in your application, these funds are earmarked for Instructional Materials, Technology, and Professional Development.

This award will become part of your district's KECSAC funds and will be reimbursed through the SACF quarterly reimbursement process. Districts must expend the award amount and include the amount in the final quarterly reimbursement MUNIS report. Please code the additional funds using the approved KECSAC object codes in MUNIS as well. These additional funds must be encumbered by **May 16, 2025**. As indicated in your MOA, please maintain an inventory of all items purchased with KECSAC funds.

Once you have purchased your items or implemented your project, **please email us a brief informal** report indicating how these funds have impacted your program and your students. Sometimes a small project can have a significant impact and we love hearing success stories from you. We may also want to share your success story in our quarterly newsletter, The Collaborative.

Thank you for your continued support of KECSAC and the state agency children we serve.

Sincerely,

Dr. Ronnie Nolan, Ed.D
