Navigating with Purpose: A Pathway to the Future

2025-2026 Professional Development Plan Overview

◆ Leader in Me

- 2-day in-person sessions for:
 - Central Office Certified & Classified Staff
 - District Staff

◆ MTSS Interventions

- Academic & behavior intervention strategies
- Supports for consistent tiered instruction & progress monitoring

◆ Mental Health

- ◆ **Flex PD** – choice-based, self-directed professional learning
- ◆ **District Conference Day** – teacher leader-led sessions focused on best practices

Local Accountability Initiatives

- **Vibrant Learning** – instructional engagement & relevance
- **Exhibitions of Learning** – student presentations of authentic work
- **Student Defenses of Learning** – reflection on growth and mastery

The balanced accountability system will include components that reflect local priorities, areas of choice and components that are the same for all schools.

Flexibility in Administration and Inclusion

- Locally-Determined Indicators
- Interim Assessments
 - Reading
 - Math
- Science Off-Grade Testing

Required with Options

- Vibrant Learning Experiences
- Writing
- Social Studies

Together, these components support a local Portrait of a Learner, drive continuous improvement, and foster personalized, student-centered experiences.
