If you are having trouble controlling your kart please let us know! **Inflatable/Bounce:** Flipping or Gymnastic maneuvers will increase your chances of injury. We encourage playing with your friends but be aware of one another and spacing while bouncing! **Go Kart Operation:** Before you take off on a race be sure you understand how the kart works and where the brake/gas are! If you need a rundown or have any issues steering please let one of our Team Members know! **Walk don't Run:** We know you are excited but running in our parks can cause yourself or others to fall. Please be aware of your surroundings and keep your walk to a swift pace!
