The following external website publications also generated interest that sent candidates to the official posting as noted in the statistics above. These publications are as follows:

NABSE: 516 inquiries | AASA: 240 inquiries | EdWeek: 98 inquiries

Utilizing HYA's candidate profile system, 30 sitting superintendents in 19 states were contacted about the position given their alignment with the leadership profile and experience having been a superintendent in a school district larger than 20,000 students. A map of these individuals is included below. Ten of these sitting superintendents from 9 states were from districts with a student population in excess of 50,000.

Finally, through HYA's professional network, over 70 education leaders were called to discuss the opportunity and gauge interest.
