Simpson County School Board
Franklin, KY 42134

Dear School Board,

It has been our pleasure to continue serving Simpson County Schools for another year. I would gladly want to continue to serve as School Board Physician. Our current negotiated prices (pre-employment physicals, dot physicals, drug screens, TB-skin testing, Hepatitis B vaccines, etc.) will remain the same until June 1, 2028.

Please accept this letter as ongoing agreement between Graves Gilbert and Simpson County Schools and will automatically renew unless either party provides a written notice of non-renewal.

We are also interested in offering more services to the Schools and their programs. We would look forward to discussing any options that should come available.

If you have questions or concerns, please contact myself or Susan Dinwiddie at 270-586-1969.

Sincerely,

A handwritten signature in black ink, appearing to be "RW", enclosed within a large, loopy oval shape.
