**Date:** April 14, 2024

**Consent Agenda Item (Action Item):** Create 15 temporary student positions for summer feeding.

**Applicable State or Regulations:** KRS 162.90 Powers and duties of the local board.

**Budget/Financial Issues:** The cost for these positions will come from the School Nutrition Department and Federal Reimbursement provided to assist in meal preparation and delivery.

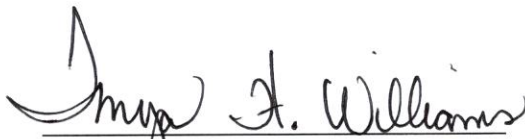

**Background and Rationale:** The Floyd County School Nutrition Department is in need of personnel to prepare meals and assist in delivery of meals for continued delivery service to the students of Floyd County for the summer months leading up to the start of the 24-25 school year. These personnel would assist managers/cooks in preparing meals and they would be available to assist in the delivery of those meals to students on the current meal delivery routes.

Students hired will receive a compensation rate of \$10.00 per hour. Each student will not exceed 40 hours work in a week.

**Recommended Action:** Approve as recommended.
