

Introduction

The Office of Teaching and Learning (OTL) Division of Early Literacy (DEL) will support Grandview Elementary through a partnership with a school-based literacy coach for the 2025-26 academic year. Grandview Elementary's literacy partner is Alison Roth. Through this partnership, Alison Roth will collaborate with Amelia Powers, who serves as the State Literacy Director for your region, and the building leaders and teachers in your school to (1) increase literacy knowledge and (2) support instructional shifts through coaching. The ultimate goal of this partnership is to empower educators to implement evidence-based literacy practices and standards-aligned grade-level instruction and to foster a culture of continuous improvement and increased student success.

Senate Bill 9 (2022), the *Read to Succeed Act*, outlines the critical importance of reading proficiency for the academic and lifelong success of Kentucky's youngest readers. Enacted to elevate literacy across the state, the *Read to Succeed Act* calls for the Kentucky Department of Education to create a comprehensive literacy coaching model aimed at supporting schools in their pursuit of excellence in literacy. Pursuant to Kentucky Revised Statute (KRS) 158.305, the coaching model "shall be related to evidence-based practices in instruction, instructional materials, and assessment in reading," (10).
