Re: Memorandum of Agreement for Astra Behavioral Health

This is a request for Board approval of the attached Memorandum of Agreement between Bullitt County Public Schools and Astra Behavioral Health LLC. This agreement will improve outcomes for elementary students and increase student engagement, and improve academic performance for all students.

This agreement will allow a working collaborative relationship between Astra Behavioral Health LLC. and Bullitt County Public Schools with the goal to provide mental health services to students attending BCPS while still providing academic opportunities and curriculum delivery. Emily Vessels of Dinsmore & Shohl, LLP, has reviewed these agreements.
