

GEORGE W. BUSH
INSTITUTE

Dear Lyman T. Johnson Traditional Middle School

Congratulations! The Laura Bush Foundation for America's Libraries is pleased to award your school a \$5,000 grant in response to your recent application.

Please take note of these next steps:

- 1) The school principal or authorized signatory will need to sign, date, and return the Grant Agreement within 30 days. If it is not signed within the 30-day period, your school will no longer be eligible for the grant. The Grant Agreement will be sent directly to the school principal or the authorized signatory via DocuSign as an email. A follow up email will also be sent to the applicant, library media specialist, principal, and authorized signatory (if not the principal) for awareness that the Grant Agreement was sent via DocuSign. Once we receive the signed agreement, we will arrange for payment as outlined in our Grant Agreement.
- 2) Per the grant guidelines of the Laura Bush Foundation, the grant is to be used to purchase school library books, e-books, and magazine requests as outlined in your grant application. Use of the funds for shelving or furniture of any kind, equipment (i.e.: computers, electronic readers, Kindles, etc.), staffing, software, videos, guides, tests or exams, classroom book sets, or similar items, is prohibited.
- 3) This award is under a temporary embargo from public disclosure which means that your school cannot yet announce publicly that you have received this grant. We will send you an update in May with the date you can share this information and a draft press release for your use.
- 4) At the end of the grant cycle you will be asked to submit a grant report on how the funds were used. No documentation from you is required until these forms are distributed via email in January 2026.

Please contact us if you have any questions about your 2025 school library grant. We appreciate your commitment to improving your school library, and we look forward to hearing how your students have enjoyed their new books!
