

FLOC

Future Leaders of Oldham County

The FLOC group was designed to grow dynamic and aspiring leaders to grow and learn together.

FLOC Participants will...

- Be part of a leadership community of modeled facilitation, engagement and collaboration
- Engage in pertinent leadership topics driven by the group itself in real-time support
- Walk away from each session with ideas and strategies to enact in current/future leadership practice in Oldham County Schools
- Gain confidence and energy in themselves through reflection, shared learning and connecting to our larger purpose as future school leaders

FLOC Membership Consists Of:

- Cohort Meetings
- Observations
- Mentor Support

Success Rate

| FLOC Cohort #1 | FLOC Cohort #2 |
|--------------------------|-----------------|
| 2024-2025 | 2025 - 2026 |
| 20 participants | 29 participants |
| 8 received new positions | ? |

From the mouths of our FLOC members...

Today I am walking away with excitement for this cohort! I enjoyed our first meeting and I appreciate the opportunity to shadow others in leadership roles in our district.

I wish we had more time! The scenarios were a blast and are insightful to the decisions that leaders must make within our schools!

I really liked the conversation today. I don't think I would have changed anything, except that I wish there was more time. I also like to hear Liz, Niki and Dylan's point of view on these because there is so much to learn.

Today I am walking away with good conversation with other members of the district. I love to think through the different types of people and how each brings value to a team.
