### **a. Licensor shall:**

- 1) At no cost to FEMA, maintain the premises in good repair and condition, and supply utilities (including heat, air conditioning, light, ventilation), sanitation, trash removal, and cleaning services during the period of this Agreement unless FEMA enters into separate agreements to provide for utility, sanitation and other similar services;

### **b. FEMA shall:**

**7. Non-Fund Obligor Agreement.** Nothing in this Agreement shall authorize FEMA to obligate or transfer any funds in connection with FEMA's use and occupancy of the Premises. Any additional work or activity that would require the transfer of funds or the provision of goods or services among the parties will require execution of a separate agreement and will be contingent upon the availability of appropriated funds. Such activity must be independently authorized by appropriate statutory authority. This Agreement does not provide such authority.

**8. Liability.** Licensors and the United States each agree to be responsible for the negligent or wrongful acts or omissions of their respective employees arising under this Agreement. For all claims or suits arising under this Agreement, each party's designated legal representatives will, within (7) calendar days of receipt, provide each other's designated legal representatives copies of any documents memorializing such claims. Nothing in this Agreement shall be construed as a waiver of any sovereign immunity of the United States. **9. **10. Applicable Law.** Federal law shall govern this Agreement and any dispute or claim arising from it.

**11. Warranty Use of Premises.** Licensors warrants that the Premises may be used for the purposes intended by FEMA as described in this Agreement. Nothing in this Agreement shall be construed to create a duty on FEMA to inspect for toxic material or
