Winter Indoor Track

**Positive Developments
and Highlights**

The partnership with Milesplit and the changes made to the entry process for 2025 was much smoother and coaches were able to enter the athletes and relays for an easy download of the state qualifiers.

**Championship
Update/Review**

The second KHSAA Indoor Track & Field Championships saw an increase of almost 400 athletes from year one to year two. With the continued development of indoor facilities and many schools adding new programs, we have seen a growth in participation.

The ticket sales for 2025 were slightly down, which probably was due to the meet having to move to during the week due to schedule conflicts with the Norton facility. Still saw over 2700 fans attend the 3 days in March.

**Officials
Update/Review**

Special thanks to the state meet director Tim King and assistant meet director Patty Rouse for their assistance in assigning KHSAA officials for this event.
