Super Regional Draw Procedures

The draw for the first and second place teams from each district will be done as a normal region draw, but with a 16 team bracket. (Look at Bracket on below)

1. First place teams from each district will draw (Positions 1,3,5, 7) and be placed in a 4 bracket pods (A, B, C, D)
2. Second place teams will draw (Position 2, 4, 6, 8) into the pods (A/B or C/D) that are on opposite sides of their district champions.

Example - District Champion drew pod A on top; District 2nd place will draw into the bottom 2 pods (C or D) so they can only meet in the regional championship.

3. Third Place Teams from each district will be placed on the same side of the bracket in the pod bracket opposite their district runner-up.

Example - District Champion drew pod A on top. District 2nd place drew pod C, then District 3rd place would be in pod D playing a District Runner-up.

4. Fourth Place Teams will be placed in the bracket opposite their District Champion.

Example - District Champion drew pod A on top. District 2nd place drew pod C, then District 3rd place would be in pod D. District 4th place would be in pod B playing a district champion.

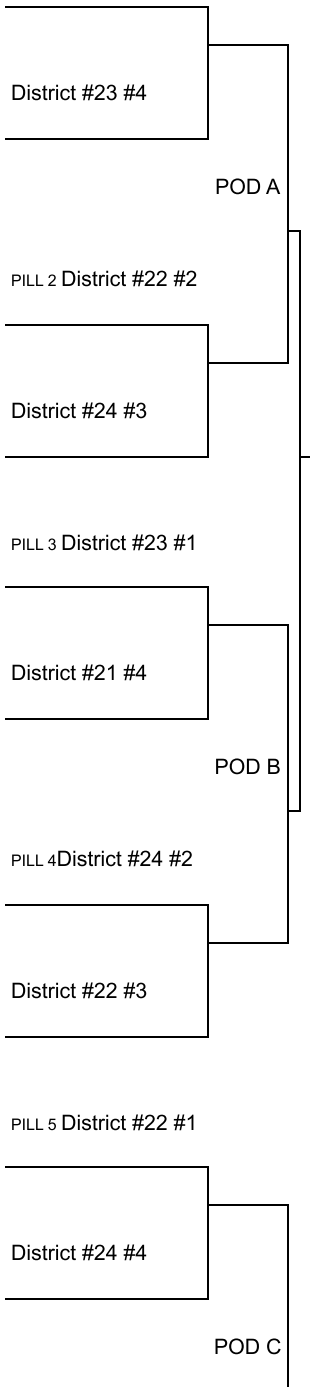

5. Fifth Place Teams will draw to play a fourth-place team opposite their district champion and opposite the 4th place team from their district.

-
- The 1st two rounds will be hosted by each district winner. (projected 3 games)
 - Each pod will be responsible for expenses and will disperse any profits evenly with the teams in the pod.
 - Each pod will have a District Champion / District Runner up trophy sent to their prospective pod and they are to be presented the trophy before their first game.
 - Each game of the pod the losing team will have a player recognized at the end of the game as a Regional tourney player of the GAME.
 - Once at Ulmer Field/Patterson Field for the Final 4 the losing teams will have 2 players recognized at the end of their games as Regional tourney player of the GAME.
 - The championship game will have 3 players off the winning team selected and the losing team will have 2 players recognized.

WE ASK THAT ALL DISTRICT CHAMPIONSHIP AND RUNNER UP TROPHIES BE SENT TO SOUTHERN HS – SO WE CAN DISTRIBUTE TO THE PODS AT THE DRAW ON MAY 15TH. EACH POD WILL PAY FOR THE TROPHIES.
