RE: Financial Aid Report

---

At your direction, I have completed a full review of the annual financial aid reports from the member schools for the 2023-2024 academic year. I have contacted the following member schools with follow-up questions on the 2023-24 survey and determined there were no issues with the submission.

- ☐ Dayton
- ☐ Notre Dame
- ☐ Model
- ☐ Owensboro Catholic

There is still one (1) member school who have failed to submit the survey, Beth Haven High School. I recommend a warning or possible penalties for failing to submit the required survey to be issued to Beth Haven High School.
