# Vibrant Learning

- LES 3rd graders recently finished reading *Charlie and Chocolate Factory* and incorporated the study of economics into the unit by learning about supply and demand, goods and services, and surplus and scarcity.

# Peak Moments

- Students in the Primary Talent Pool recently visited Bernheim Forest on a field trip.

# Peak Moments

- Marion County High School recently held its Underclassmen Awards ceremony.

# Peak Moments

- Remix Education recently visited Glasscock Elementary for a school assembly.
- Remix is an organization that provides assembly programs using mascot skits, stunts, and interactive games.

# Student Success

- Glasscock Elementary finished 2nd in the STLP *Minds on Innovation* competition. The GES team was the youngest in the state, comprised of a kindergartener and 1st graders.

# Staff Success

- The MCPS Deeper Learning Cohort members recently presented at the Elkhorn Crossing School, highlighting deeper learning in MCPS.
