**SEC. 1) PRINCIPAL REQUIREMENT AND INSTITUTIONAL CONTROL**

- a) The Principal of a school shall be held ultimately responsible in all matters in the school that concern eligibility, and interscholastic athletics, and shall ensure that institutional control over the athletic program is maintained.
- b) The member school Principal is ultimately responsible for all aspects of the athletic program, whether it is rules enforcement and reporting or eligibility certification.
- c) Each member school through its Principal and Designated Representative exercise the principles of institutional control in order for the Association to continue as a fully functioning membership organization and in order for the school to remain a member.
- d) There are several principles that go into the concept of maintaining institutional control:
  - (1) Control shall first be defined in common sense terms and is best summarized by the school having in place the proper policies to ensure that violations do not occur, and if they do occur, the Principal exhibiting the leadership and duty to correct the problems and prevent recurrence.
  - (2) In general, violations do not result from a lack of institutional control if there are adequate preventive measures in place that are properly monitored and followed, and if swift action is taken.
  - (3) Several factors demonstrate a lack of institutional control including, but not limited to:
    - a. failure to implement proper preventive procedures;
    - b. failure by members of the designated athletic staff to thoroughly investigate and report violations;
    - c. failure to adequately disseminate and distribute compliance information;
    - d. failure to adequately distribute compliance duties to allow for effective control;
    - e. failing to make clear to all coaches and participants that rules violations will not be tolerated;
    - f. failing to fully investigate and file reports as requested when potential violations are reported; and
    - g. a head coach failing to create a compliant atmosphere with the assistant coaches.
- e) The KHSAA staff is to enforce the rules based on the following general premises:
  - (1) KHSAA regulations and information are readily available to the member schools and the general public;
  - (2) the Principal or Designated Representative properly distributes information, rules manuals, communication, forms, and other needed materials to the members of the athletics staff;
  - (3) that meaningful education programs are conducted within the schools to ensure compliance; and
  - (4) Student-athletes are properly informed about rules prior to and during participation.
- f) The compliance history of a school and its cooperative spirit during any investigation or inquiry will factor into any penalty decision regarding violations as sanctions under Bylaw 27 are being considered.

**SEC. 2) DESIGNATION OF DESIGNATED REPRESENTATIVE**

- a) The Principal of each member school may annually designate an individual at the school to serve as the Designated Representative to conduct the interscholastic program at that school.
- b) The Principal or Designated Representative shall sign all forms requiring an authorized signature.
- c) If a member school Principal fails to make the designation before August 31, the building principal shall automatically be the Designated Representative for the current year.

- b) Appeals or other considerations under this bylaw shall be considered Board matters under the KHSAA Due Process Procedure.

**BYLAW 2. AGE**

**SEC. 2) WAIVER PROVISION**

  - (2) Was retained in the primary school program because of an ARC committee recommendation; and
  - (3) Has not completed four (4) consecutive years or eight (8) consecutive semesters of eligibility following initial promotion into grade nine (9).
- b) The Ruling Officer and the Commissioner shall not adopt administrative procedures that allow for the waiver of this rule under any other condition.

#### **SEC. 1) LIMIT OF FOUR YEARS**

(1) A student entering grade nine (9) for the first time in any high school shall have four (4) consecutive calendar years of eligibility from the date of first entry into grade (9) in any school provided the student is eligible according to this and all other Association bylaws.

(2) The eligibility shall conclude with the completion of the spring sports season following the fourth year.

(3) No additional eligibility may be granted in a case where the grant would allow a student to compete in all or part of the fifth competitive season in a single sport following the initial entry into grade nine (9).

b) Students properly and timely designated under Chapter 108 (SB128) of the 2021 Kentucky Acts (Supplemental School Year Program (SSYP) and permitted the SSYP during the 2021-22 school year and previously having been enrolled in grade nine prior to 2021-22 or enrolling for the first time in grade nine (9) in 2021-22 shall adhere to the following restrictions:

(1) Shall have five (5) consecutive calendar years of eligibility from the date of first entry into grade (9) in any school provided the student is eligible according to this and all other Association bylaws.

(2) The eligibility shall conclude with the completion of the spring sports season following the fifth year.

(3) Such designation shall not supersede the provisions of Bylaw 2 or KRS 156.070 (2)(f) (age limitation).

#### **SEC. 2) ADDITIONAL ELIGIBILITY**

a) The Ruling Officer and the Commissioner through the Due Process Procedure, may grant additional eligibility in the case where it has been documented by the attending physician, Principal, and Superintendent that severe illness or injury has prevented the student from receiving basic education services and the right to an education has therefore been impacted rather than simply the loss of athletic privilege.

b) The documentation from the attending physician, Principal, and Superintendent shall be from those involved with the student at the time of the original injury or illness.

c) The grant of eligibility may only be made in the cases in which the student-athlete would remain eligible by all other Association bylaws.

### **BYLAW 4. ENROLLMENT REQUIREMENTS**

#### **SEC. 1) ELIGIBILITY FOR PARTICIPATION WHILE LEGALLY ENROLLED IN GRADES 9-12**

b) A student who is legally enrolled or connected with any other school than the one he or she represents shall not take part in any contest. In the case of a single-gender high school, cheerleaders from an affiliated neighboring single-gender school may be accepted as a sideline support group for teams competing at the school.

c) A student is ineligible for the first year following enrollment at a member school if that student leaves the former school with documented obligations (including financial). The student shall remain ineligible until the conclusion of one year from the date of enrollment or documentation that the obligations have been satisfied.

#### **SEC. 2) ELIGIBILITY FOR PARTICIPATION WHILE LEGALLY ENROLLED BELOW GRADE 9**

a) A pupil in grades 7-8 in the local Board of Education defined feeder pattern of a KHSAA member school under the same local Board of Education as the member school may play on the high school team (at any level of play) if that participation is not in conflict with Sec. 3 below, and the time so played shall not be counted on the four (4) year (eight (8) semester) limit.

b) For a school to be considered a "feeder" school (and therefore "connected"), it must be under the same local board of education as the member school and enroll students exclusively below grade nine.

c) A student enrolled at a nonfeeder school shall not be considered to be enrolled at a feeder school irrespective of past enrollment patterns of that nonfeeder school.

d) School districts with multiple schools may not establish an "open choice" option to serve as a feeder pattern for athletics and must specify only one option for each student to be considered as being connected for the purpose of high school participation.

e) Applying for admission to a school does not waive this definition as there is a clear line between applying and being enrolled.

f) School and school districts may choose to define a more restrictive feeder pattern for its middle schools to high schools which if violated, constitute the student not being "connected" and therefore ineligible.

g) In a school district with multiple high schools, absent a specific otherwise adopted feeder pattern, the residence of the student-athlete within the district student assignment plan shall determine the school at which the student may participate if such participation is permitted by local policy.

h) A student is ineligible for the first year to participate for a member school if that student leaves the former school with documented obligations (including financial) and the student shall remain ineligible until the conclusion of one year from the date of enrollment or

documentation that the obligations have been satisfied.

- i) Students enrolled below grade seven (7) may not play on a high school team at any level.
- j) A student below grade nine (9) may not participate on the varsity team in contests in the sports of boys' lacrosse, football or soccer.
- k) All other participation by legally enrolled students in high school level teams practices, scrimmages or contests by students legally enrolled in grades seven (7) and eight (8) who are eligible by all other bylaw provisions is at the discretion of the school-based decision-making council or local board of education at the member school unless otherwise precluded by statute or regulation.

#### SEC. 3) INELIGIBILITY FOR REPEATING STUDENTS

- a) Excluding those students properly and timely designated under Chapter 108 (SB128) of the 2021 Kentucky Acts (Supplemental School Year Program (SSYP) and permitted the SSYP during the 2021-22 school year, a student having been enrolled in the seventh (7th) grade or any grade through twelfth (12th) shall not be eligible for interscholastic athletics at the high school level (freshmen, junior varsity or varsity, grades 9 through 12) for more than a total of one (1) year in each grade and applicable eligibility shall begin in the first year enrolled in that grade.
- b) Excluding those students properly and timely designated under Chapter 108 (SB128) of the 2021 Kentucky Acts (Supplemental School Year Program (SSYP) and permitted the SSYP during the 2021-22 school year, a student repeating a grade for any reason is ineligible to participate in interscholastic athletics at the high school level (grades 9 through 12) during the second year in that grade. The penalty for violation of this rule shall be the loss of one of the four years of eligibility after initial entry into grade nine (9).
- c) Those students properly and timely designated under Chapter 108 (SB128) of the 2021 Kentucky Acts (Supplemental School Year Program (SSYP) and permitted the SSYP during the 2021-22 school year and enrolled in the seventh (7th) grade or any grade through twelfth (12th) may be eligible for interscholastic athletics at the high school level (freshmen, junior varsity or varsity, grades 9 through 12) during the 2021-22 school year while repeating the same grade enrolled during 2020-21, provided the student is eligible by all other bylaws.

(2) Such policy may require a portion or percentage of graduation requirements, fixed number of credits or other academic progress but must be such that it can be monitored and involve only course work (credits) officially posted to the transcript.

(3) The written policy must be available for inspection by the Association staff if requested.

c) Reinstatement of Students Failing to Meet Normal Progress Requirements on the First Day of School and Having Been Ineligible for at least one-half of the next credit period (when credits are recorded to the transcript, if:

a) Any student who has been enrolled in grades nine (9) through twelve (12) who transfers schools shall be ineligible for interscholastic athletics at the varsity (first team) level in that sport for a period of one year from the date of last varsity participation if such student has participated in:

- (1) a varsity interscholastic contest (including a non-level defined prep team) in any sport at any school (including prep school) while maintaining permanent residence in the United States or a United States territory following enrollment in grade nine (9); or
- (2) a contest representing a varsity interscholastic team (including a non-level defined prep team), subsection (1) above after being previously granted eligibility under the provisions of Bylaw 7 or equivalent participation in another this or another state.

b) The Ruling Officer and Commissioner have discretion (but are not required) to waive the period of ineligibility set forth above if one or more of the following exceptions in Sec. 2 has been met.

### **SEC. 2) DISCRETIONARY EXCEPTIONS FOR WAIVER**

Evidence supporting the desired exception shall be presented with the original request to the Association by the member school

a) **REASSIGNMENT BY BOARD OF EDUCATION-** The period of ineligibility may be waived if the student has changed schools through a properly documented reassignment of the Board of Education to another school.

(1) To meet this exception for a reassignment, reasons for the assignment may include the closing or opening of a school due to consolidation, merger, the opening of a new school, or another type of opening or closing or assignment through KRS 158.6455, KRS 160.040 or other applicable adopted regulation.

(2) In the case of a school closing or consolidation, such assignment may be to the public school district should a private, parochial, or independent school close.

(3) For a multiple-school district reallocating students to existing schools in a revised manner (redistricting), the exception shall be valid only on the first day of school for the student body following the implementation of the redistricting plan and does not apply before or after that date due to optional choices offered by the district.

(4) Determinations of whether a student shall be granted a waiver under this exception shall be based on the circumstances existing as of the date of enrollment at the new school.

(5) Reassignment may include assignment due to the application of the provisions of 701 KAR 8:010 to a public charter school as defined in KRS 160.1590.

(6) Reassignment may include a change in transportation plan in a district with more than one high school where the local board adopts a policy permitting specific enrollment alternatives for those students no longer able to be transported.

b) **TRANSFER FROM NONMEMBER SCHOOL-** The period of ineligibility may be waived for a student transferring from a nonmember school located in Kentucky whose athletic participation has been limited primarily to other nonmember schools.

(1) Determinations of whether a student shall be granted a waiver under this exception shall be based on the circumstances existing as of the date of enrollment at the new school.

d) **BONA FIDE CHANGE IN RESIDENCE-** The period of ineligibility may be waived if there has been a bona fide change in residence by the parents and student that precedes a student's change of schools.

(1) For purposes of this bylaw, a bona fide change of residence means the uninterrupted moving of the permanent residence of the entire family unit of the student as composed when the student was eligible at the sending school (including one or both parents if at that residence) from one school district or defined school attendance area into another school district or defined school attendance area prior to a change in enrollment of the student.

(2) To be considered bona fide, the change must remain uninterrupted for the entire period during which the student would have been ineligible if the exception was not applied.

(3) To be considered bona fide, the change in residence must reasonably precipitate the change in schools in that a student cannot delay transferring schools after a change in residence for an unreasonable period of time. The change in residence must clearly have a compelling impact on the need to change schools for the exception to be granted.

(4) A student who becomes emancipated does not have a bona fide change of residence by his or her emancipation and change of residence for purposes of satisfying this exception.

(5) The primary elements in determining and issuing a ruling related to a bona fide change in residence will initially be the records submitted by the two member schools (receiving and sending) and may require substantiation based on the material submitted in the matter.

(6) The burden of proof is on the student and family unit not having left the permanent residence of the entire family unit of the student as composed when the student was eligible at the sending school shall lie with the sending school Principal or Designated Representative.

(7) If requested and otherwise in compliance with Bylaw 18, the receiving school may be compelled to use its personnel and resources, trained in verification of student addresses, to address the validity of the change into the receiving school district.

(8) A waiver under this provision may be reversed and a new ruling issued if the family unit returns to the residence occupied while participating for the sending school prior to the tolling of the normal period of ineligibility.

(9) Determinations of whether a student shall be granted a waiver under this exception shall be based on the circumstances existing as of

the date of enrollment at the new school.

- e) **DIVORCE-** The period of ineligibility may be waived in the event of a dissolution of marriage (i.e., a final and legally binding divorce decree from a court of competent jurisdiction) or properly recorded legal separation (i.e., a legally binding separation decree from a court of competent jurisdiction) of the parents and a change in the residence of the student pursuant to a court order granting custody of the child to one of the parents with whom the student shall reside.
  - (1) The grant of this waiver shall only apply to the member school in the school district in which the residence of the custodial parent is located.
  - (2) Determinations of whether a student shall be granted a waiver under this exception shall be based on the circumstances existing as of the date of enrollment at the new school.
- f) **CHANGE IN SOLE CUSTODY-** The KHSAA shall not recognize guardianship or similar arrangements made, for purposes of this bylaw. The period of ineligibility may be waived if it is shown that custody of the student has been taken from one or both parents and given to the other parent or a third person by a court of competent jurisdiction and under circumstances indicating: (1) the parent(s) are unfit or (2) the court finds that the health and welfare of the student would be better served by the change in custody.
  - (1) The grant of this waiver shall only apply to the member school in the school district in which the residence of the custodial parent is located.
  - (2) Determinations of whether a student shall be granted a waiver under this exception shall be based on the circumstances existing as of the date of enrollment at the new school.
- g) **CHANGE IN JOINT CUSTODY-** In the event, joint custody is awarded to both parents, for purposes of this bylaw, the student shall initially be eligible where either parent resides.
  - (1) The eligibility of a student may be restored one time if, after establishing eligibility and complying with the initial court order granting joint custody, a student relocates to permanently reside with the other custodial parent.
  - (2) The grant of this waiver shall only apply to the member school in the school district in which the residence of the custodial parent is located.
  - (3) After this one time move by the student to the other custodial parent, all subsequent moves between parents shall require a period of ineligibility of one year.
  - (4) Determinations of whether a student shall be granted a waiver under this exception shall be based on the circumstances existing as of the date of enrollment at the new school.
- h) **DEATH-** The period of ineligibility may be waived in the event the death of one or both of the student's custodial parents creates the circumstances that the transfer to another secondary school is deemed appropriate.
  - (1) Determinations of whether a student shall be granted a waiver under this exception shall be based on the circumstances existing as of the date of enrollment at the new school.
- i) **BOARDING SCHOOLS-** The period of ineligibility may be waived for a student entering a boarding school on a full-time basis as a boarding school student or a student returning from a boarding school to the school attended immediately prior to enrollment in the boarding school; where attendance in the boarding school was required by order of the court or by recommendation of the Principal of the school attended immediately prior to attendance at the boarding school.
  - (1) A boarding school is defined as a school that has an enrolled resident boarding school population in the ninth through 12th grades of at least fifty (50) percent of the full-time student body for each of the last four years.
  - (2) A boarding school must have appropriate dormitory facilities to house, feed and provide general living accommodations for boarding students, and must have properly trained supervisory personnel on duty at all times.
  - (3) A boarding school must be recognized as a boarding school in its literature and must be verified by the Kentucky Department of Education or the Southern Association of Colleges and Schools.
  - (4) A boarding student, to qualify for the exception, must spend at least an average of five (5) days per week living and boarding on campus while school is in session.
  - (5) Coaches and other individuals employed by or associated with a boarding school's athletic program shall not serve as the boarding supervisor or otherwise live with boarding students in school housing.
  - (6) Only those schools that qualify as boarding schools as defined herein may provide any assistance for room and board to students who participate in interscholastic athletics and only if such assistance is based on financial need. In no other schools may room and board expense be included in the determination of school expenses and financial need.
  - (7) The Ruling Officer is required to have verification that the move to or from the boarding school is by order of the Principal (sending) or a court of competent jurisdiction for this exception to apply.
  - (8) Determinations of whether a student shall be granted a waiver under this exception shall be based on the circumstances existing as of the date of enrollment at the new school.
- j) **CESSATION OF SCHOOL PROGRAM-** The period of ineligibility may be waived in the event of a school remaining open but notifying the Association in writing that it is discontinuing its participation in an Association sponsored sport (regular and postseason) in which the student had previously participated after enrolling in grade nine (9).

SEC. 3) RESPONSIBLE PARTIES

Any member elementary or secondary school or school employee or official who knowingly allows participation of an ineligible player under the provisions of this bylaw, or who, through reasonable diligence, should have known of that ineligibility, shall be considered in noncompliance with state accreditation standards or guilty of willful neglect of duty or breach of contract. This provision shall apply not only to coaches, but also to personnel supervising coaches including an athletic director, Principal or Designated Representative, an assistant principal, an assistant Superintendent, a Superintendent, or a school board member.

**f) SUSPENSION**

(2) If the Association, its Commissioner, or other persons associated or employed by the Association are named as a party, or if the Association intervenes in any action to enforce a ruling, bylaw or other provision, it shall be presumed that the school where the student attends or the coach or other person is employed or is otherwise associated or connected, is involved in the legal challenge.

(3) The presumption of involvement may be rebutted by clear and convincing evidence.
