Navigating with Purpose: A Pathway to the Future

## *Menifee Central Instruction/Monitoring*

- Grades K-2 will begin iReady testing the week of May 5th.
- Grades 3-7 will begin KSA testing on Tuesday, May 6th. Grades 3-7 will complete the final iReady diagnostic after KSA is complete.
- We completed fourth monitoring visit for the MAF Grant. Our school improved in all mathematical practices that were monitored.
- Students in grades K-5 will complete the final assessment of the EasyCBM as part of the MAF grant requirements.
- Mrs. Rogers is finishing the professional development requirements of the grant which totals 30 professional development hours for our teachers.

# *Meniffee Central School/Community Engagement*

Thank you to our PRI and our coordinator, John Sain, for generously funding author Laura Numeroff's visit to our school and supporting several enriching field trips for our students.
