**Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force?**

The Teddy Bear Clinic is a community health initiative organized by senior Health Science students, designed to teach young children about healthcare in a fun and engaging way. It is currently offered to one elementary school at the time (SHS). This grant would allow for more schools to participate. It would help cover the cost of essential supplies—such as gloves, masks, bandages, and educational materials.

**Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.**

The money will be used for the supplies which will take place in April 2026.

**What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.**

Busing would not be included.

**How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.**

This is a one time grant, however, it is explained in the application the benefits of having it yearly such as adding more schools.

**Describe the purpose/intent of the grant. Include the grant funding source. How long will the grant be in force?**

SHS plans to revitalize the outdoor space to create a sensory swing area that accommodates students in wheelchairs and those with sensory regulation challenges. The project aims to provide a safe, inclusive environment that promotes play and learning for all students.

**Describe the components/work/salary/materials the grant will pay for. What is the time frame of the grant? Be specific.**

The money will be used for playground equipment (jumperoo, dome with hammock, tree swing, therball, wall busyboard), a round picnic table, mulch, and a fence. They have listed a handicap swing which Mr. Black has agreed to use school funds to provide.

**What components/work/salary/materials will the grant not pay for that will be necessary for the district to incur? Be specific.**

There are not any listed.

**How will the grant be sustained? List potential ideas for the sustainability of the grant initiatives.**

The allotted funds will be used to purchase the listed items for the sensory playground vision. No further funds will be needed to maintain.
