History/Background:

South Floyd Elementary School is requesting an incentive trip for students in grades 6-8 that demonstrate values and requirements of being an honor student. Honor students are those that demonstrate high academic success with a cumulative GPA of 3.0 for the entirety of the year, dedication to their studies with no discipline referrals, and remain in coordination with the Floyd County Schools attendance policy. It is our goal to travel to Pigeon Forge TN via FCS school bus to visit a theme park and expose students to places in which they otherwise would not be able to see. The students and sponsors have done fundraisers throughout the year to cover the cost of the trip. Our hope is that the students learn the value of money and budgeting while working towards their desired amounts. It is my goal as Honor's Club Sponsor to expose the students of South Floyd Elementary to educational opportunities first hand through travel. It is my intent to have a student to adult ratio of 10/1 to ensure supervision is satisfactory and sufficient. The Honor's club maintains a financial account through the school where all funds are accounted for. All money for this trip will be entered and receipted with our financial clerk.
