

Assistant Superintendent Report

May 2025

Curriculum, Instruction, Assessment

- Guaranteed & Viable K-12 Curriculum
 - Sara and I are working on a one-stop shop for housing our K-12 Curriculum. We've also updated our Curriculum, Instruction, and Assessment portion of the website that is linked [here](#). We've met with both buildings to start the slow roll out of this work and will continue through the remainder of the year / summer months so we can hit the ground running for the 25.26 school year!
- Sophomore ACT Data
 - We received the scores from our 10th Grade ACT session in April:
 - Composite: 16.65
 - Math: 16.81
 - Science: 17.16
 - English: 15.65
 - Reading: 16.65
 - I will work with the BHS team to ensure we are creating a growth plan for these students so they are ready to hit benchmark when they take the ACT again in Spring of 2026. There are a lot of changes coming to the ACT assessment that you can view at the link [here](#).
- KSA is finished!
 - I want to give a huge thank you to the entire team for a successful KSA season! It really does take "all hands on

deck.” I want to especially thank our building assessment coordinators, **Ms. Paff & Mr. Forshey**, for the commitment, time, and energy to ensure everyone was prepared and the buildings ran smoothly.

- MAP Data
 - Due to a state-wide internet outage, there are still some students who are not finished with their MAP assessments. The BOE spotlight in June will be a report on MAP from both schools.
- ACCESS Testing Results
 - We received our ACCESS Testing results last week and we had 4 students score a 6/6 on the listening portion! I will work with Ms. Novak to determine if any student will be eligible to exit services.
- Continuation of Literacy Coach
 - We are continuing our partnership with KDE to provide a K-3 Literacy Coach housed at GES. Ms. Allison Roth has been an incredible asset this school year and we look forward to continuing this important work!
