

LES Board Report May 2025

- Lincoln students in grades 3 – 6 have completed their important **Spring KSA testing** for this spring. We are proud of the effort that they each put into these important tests and are anxious to find out the students' results and growth.
- Lincoln students have completed their **Spring STAR testing** and **Spring AIMSweb** testing in the subjects of Reading and Math. We look forward to sharing this student growth data with you soon.
- Our **Student Recognition Assemblies** were all wonderful events and I'm thankful for all of the staff and teachers who made these events possible:
 - On the evening of Thursday, May 15th we successfully held our **Intermediate Awards Ceremonies**:
 - Fourth and Fifth Grade Awards Ceremony at 6:00 pm
 - Sixth grade Promotion Ceremony – 7:30 pm
 - On Friday, May 16th our **Preschool** held two ceremonies celebrating and showcasing our littlest greendevil's growth.
 - On the afternoon of Monday, May 19th, we will be hosting our **Primary Awards Ceremonies**:
 - Headstart Celebration at 8:30 am
 - Kindergarten and First Grade at 12:00 pm
 - Second and Third Grades at 1:30 pm
- Because of the new 21st Century Continuation Grant, we have been able to invite over 100 students to our **summer learning program** at Lincoln. Students will have the option to participate in either just the morning of summer learning with LES teachers OR they can participate in the entire day with learning in the morning and afternoon filled with fun activities with the 21st Century Staff. These activities also include field trips.
- In preparing for the 25-26 school year, our SBDM committee members and school/district administration have been busy **reviewing and interviewing applicants**. We are currently in need of a secretary and one teacher, along with some instructional assistants.
- Our **LES Parent Teacher Committee** continues to do GREAT things for our school community. They recently held a staff breakfast for our teachers and staff during Teacher Appreciation Week. They are now very busy planning for the Annual Last Day Picnic. This has become such an important part of Lincoln and it wouldn't be possible without the LES PTC!
