Yes

This project consists of a full stadium renovation with the addition of a new restroom and concessions building and a new press box. Existing bleachers will be renovated. New field lighting will be installed, and an entire new track and field will be engineered from scratch. There will be new parking, reworking of the tennis courts, as well as fencing and interior entry with gates. There will be extensive storm, sanitary, electric, and water utility services, which will need to be designed for the new facility as well as managing the surrounding properties. Extensive coordination will be required with the floodplain engineers. The renovations at the Ben Flora Gymnasium will include new underground utilities (saw cutting slabs, etc.), new ceilings, and lights.
