### **Minutes of Special Meeting of May 20, 2025**

JCPS Center for Professional Learning, 3903 Atkinson Square Drive  
Stopher Elementary School, 14417 Aiken Road

A special meeting of the Board of Education was called by the Chair for Tuesday, May 20, 2025, due to the anticipated presence of a quorum at three key events related to the JCPS Superintendent Search. These events, held at the JCPS Center for Professional Learning and Stopher Elementary, provided various stakeholders with opportunities to engage with the final superintendent candidates.

The day began at 1:00 p.m. at the JCPS Center for Professional Learning, where the Superintendent Search Advisory Committee held discussions with the two finalists. Later that afternoon, from 4:00 p.m. to 6:00 p.m., community members and JCPS staff were invited to the JCPS Center for Professional Learning to ask questions of the candidates. The final event of the day took place from 7:00 p.m. to 9:00 p.m. at Stopher Elementary School, offering another opportunity for community members and JCPS staff to engage with the finalists. These public forums were moderated by Hazard Young Attea Associates (HYA) and allowed attendees to hear directly from Ben Shuldiner and Dr. H. Brian Yearwood, the two individuals who were selected as finalists.

It is important to note that no official business of the Board of Education was conducted during these events. Board members, Committee members, and members of the public attended all events in person, demonstrating significant engagement in the superintendent search process.
