**To** Rivera, Heather (Maintenance Director) <Heather.Rivera@anchorage.kyschools.us>

I will just need an email for invoicing; I can send you over a w-9 as we get closer. 30 yd would be 550 and 100 rental fees with 4 tons. So, each time we dump it would cost 550. If we dump it every two weeks there would be no monthly fee. So if we dump it 2 in the month no monthly rental fee but the price would be 550 per dump.
