3. Approve [April minutes](#)
4. Approve this month's agenda

Re-calibrate (what our school council is working on)

5. **Update on Principal selection.**
 - a. Beth Walingford (current Crestwood Elementary Principal)
6. **Recap Monthly Meeting (Transition)**
 - **Action Item: Transition programs in K/5/8**
7. **Committee Assignments**
 - Council Member Mapping to Committees:
 - School Organization: Amanda Pagano
 - School Environment: Whitney Cook
 - School Activities: Dana Berg
 - Project Ad-Hoc/Floater: Amanda Matter

A few questions/principles/suggestions we want to share:

- *Do we see the parent as the committee "lead", or is admin/staff the "lead"?*
- *Could we do a check in on the admin/staff "leads" for the above:*
 - *School Org: Beth Walingford*
 - *School Environment: Sara Wiles*
 - *School Activities: Bart Roettger*
- *In order to best support the initiatives, we see our mapping as "dedicated" leads, however we are keen to contribute across these lanes - to best maximize our skills + collaborate. For example, while Amanada Pagano will be in Organization, she is keen to*

lean into School Environment and the Bullying workstream. Or, as Dana Berg ramps onto School Activities, Amanda Pagano may lean in in areas.

· With Amanda Matter rotating off in January, and with her long standing experience, we're planning to have her contribute in a variety of ways where we can best match her strengths to our needs.
