Effective July 1, 2021, a classified employee may bring in a maximum of 20 years of previous experience outside of FCPS. Previous experience must be full name and job duties of previous position(s) must pertain to current position. Completed previous experience forms will be evaluated by the Department of Human Resources and each employee will be placed at the appropriate experience level. A former FCPS employee who is not a retired FCPS employee and is returning to work at FCPS in a classified position, will be given credit for past FCPS experience.

Transfers between Job Classifications:

Effective July 1, 2018, all FCPS experience credit will be granted for classified employees transferring to another classified position within FCPS. Hourly classified employees are grouped into job classifications. Experience credit for current levels will be transferable to any hourly position regardless of job classification. Step increases awarded due to continuing education credit, license upgrades and/or program certificates will only carry over if it directly relates to the new hourly position. For example, if you were given one step level increase for a maintenance certificate the one level awarded will not carry over with you into a law enforcement position.

Classified hourly employees transferring to a certified position will not carry over their hourly experience. Classified hourly employees transferring to classified salaried positions will be allowed to carry all of their FCPS experience, as well as any outside experience applicable to the new position. Previous outside experience applicable to the new classified salaried position shall not exceed 20 years. Effective July 1, 2021, when transferring to a classified salaried position from a classified hourly position, a supplement will be applied at \$200 per level earned, not to exceed 10 levels. The amount of the supplement for certification is not to exceed \$2,000 annually to compensate for levels earned. If an employee transfers to an hourly or salaried position for which a certification does not apply, the certification credit will be removed. Classified salaried and certified employees transferring to classified hourly positions will carry all of their FCPS experience to the new position.

Experience Credit for Retirees:

Certified retirees who return to work for a classified position are allowed a maximum of 20 years' experience plus the steps given for their education. A classified retiree may only return to a permanent position of 4 hours per day or more. Classified retirees who return to work will be granted their full years of experience on record upon retirement. Classified retirees may work as a classified substitute (sub para, sub secretary, sub food service, sub custodian) for up to 70 days each school year unless prior approval is granted.

Classified substitutes with 48 college credit hours or who have passed the KY Paraeducator Test may be considered for long term paraeducator substitute positions. A long term classified substitute who works more than 20 days in the same position, will begin to make the rate of pay for the beginning level of that job class at step zero. This rate would change beginning on day 21 and continue until that assignment ends. ~~Permanent Building Sub-Paraeducators: Daily Rate equivalent to G3 Step 0 of the Classified Hourly salary schedule.~~

Retired Classified Substitutes: People who have retired from the Kentucky Retirement System may work up to 70 days each school year. Classified retirees will earn the rate posted for each substitute job.

1 Year Non-Emergency Certified Teacher Substitute Rate: Persons who have ~~a high school diploma/GED 64 college credit hours or more (GPA 2.5 or greater) or a BA (GPA 2.0 or greater)~~ may qualify for an emergency substitute certificate and work as a substitute teacher for short term assignments in Fayette County Public Schools. These individuals will receive **\$125.00 per day**.

5 Year Certified Teacher Substitute (SUBF) Rate: Persons who hold a minimum of a bachelor's degree may qualify for a 5 year ~~substitute certificate and work in short term assignments at \$125 per day and may work in long term assignments at the~~ rate of **\$150 per day, beginning on day 21 of the assignment.**

Kentucky teaching certification is required. Pre-approved specialized assignments may receive the Daily Wage Threshold rate.

Long Term Rate for Certified Substitutes: A certified substitute who accepts an assignment will be paid a daily rate of **\$200.00**, beginning on day 21 of that assignment. There will not be retro pay; the **\$200.00** rate begins on day 21. 20245-256 Substitute Teacher/Para Salary Schedule

****Special Education Incentive:** Substitutes working in special education assignments for a full day will receive an additional **\$50.00 per day**. Less than full day assignments will be prorated accordingly.

~~****High Priority School Incentive:** Substitutes working in identified locations will receive an additional \$25.00 per day. Less than full time assignments will be prorated accordingly.~~

~~**Note:** Permanent Building Subs (certified and classified) do not qualify for special education or high priority school incentives.~~

Kentucky Teachers Retirement: All certified substitutes are enrolled in a certified retirement account with the Kentucky Teachers Retirement System. Substitute teachers are not eligible for participation through payroll deductions for Social Security.

Retired teachers who return as substitute teachers may substitute up to 69% of the days a full time person is required to work. A second retirement account will be established for wages earned as a substitute. All members contribute a percentage of compensation on a pre-tax basis, apportioned to the retirement account and the medical insurance fund as determined by KTRS. After 5 full years of service, the member will be vested. Retirees returning to work as a substitute must have a minimum of 3 months break in service from their retirement date. The Daily Wage Threshold (DWT) applies to all money earned from KTRS employers during a regular school calendar year.

Note: TRS Retirees are responsible for monitoring their average daily rate as compared to their Daily Wage Threshold (DWT) amount. Retirees will not be eligible for long term or incentive rates that would cause them to exceed their DWT amount.

Certified Substitutes not previously a KTRS Retiree: Substitute Service amounting to 70% of the term will enable the member to make contributions for the full school year and receive a full year of service credit in the Teachers' Retirement System. All such contributions must be made on or before December 31 following June 30 of the fiscal year in which the substitute service was rendered.

2024-25 Stipend Pay for Salaried Employees

Parameters Regarding Stipend Pay:

Stipends are only to be paid to salaried personnel for intermittent duties not included in the Board approved salary schedule for supplemental positions. Substitutes are not eligible for stipend pay. (Classified hourly personnel who perform additional duties must be paid the appropriate hourly rate for their job classification; including overtime, for intermittent duties assigned by their principal or other supervisor.)

Authorization for stipend payments must come from the principal or other supervisor with verification by the office of Budget and Staffing regarding the availability of funds.

The principal or other supervisor will determine the classification of the stipend as outlined below, will verify that the duties have been performed, and will report the hours of service using appropriate district procedures and forms. **KTRS has advised that retirees not be permitted to receive stipend pay, to avoid exceeding their daily wage threshold.**

Regardless of job classification, twelve-month salaried employees are not eligible to receive stipend pay. Administrators less than 12 months may receive stipend pay **outside their work calendar. (Extended days are considered part of the work calendar.)**

Stipend compensation is a salary supplement and payments shall coincide with the cut-off dates detailed on the board-approved pay date schedule. If requests for payment are submitted after the deadline, payments will be made on the next scheduled pay date.

Stipend pay rates are established by the Board of Education. Deviation from these rates is not permitted. Salaried employees will not receive an hourly rate based on their daily rate of pay **except for programs approved by the Superintendent.**

I. Instruction of Students Outside of Regular School Day

Tier	Amount Per Hour	Years of Experience
I	\$30.00	0-10
II	\$34.00	11-20
III	\$37.00	21+

Examples: Extended School Services (ESS), before or after school instruction, Saturday instruction programs, and instruction of students in any program that occurs outside of the regular school day. Beginning with the 2009-10 school year Occupational, Physical Therapist, Speech Therapist, Psychologist and Diagnosticians will be paid from this tier regarding work performed related to reporting and evaluations.

2025-26 Stipend Pay Guidelines

Parameters Regarding Stipend Pay:

Stipends are only to be paid to personnel for intermittent duties not included in the Board approved salary schedule for supplemental positions.

Substitutes are not eligible for stipend pay unless the substitute has received prior approval for a daytime waiver status.

Teachers Retirement System has advised that retirees not be permitted to receive stipend pay to avoid exceeding their daily wage threshold. Retirees are responsible to monitor their hours and pay and district will not be responsible if retiree does exceed their limit.

Classified hourly personnel are eligible for stipend pay and will be paid their appropriate hourly rate for their job classification, including overtime.

Salaried personnel are eligible for stipend pay and will be paid the designated certified pay rate for the type of services performed. (*see stipend pay classifications rates)

Regardless of job classification, twelve-month salaried employees who are contracted for 240 or more days are not eligible to receive stipend pay. Less than twelve-month salaried employees, with administrative additive pay, are not eligible to receive stipend pay for dates that are within their work calendars; however, they may receive stipend pay outside the beginning/ending of their work calendars. (Extended days are considered part of the work calendar)

Stipends are to be submitted timely by employees each week after services are performed. Stipend payments are salary supplements and payments will coincide with the payroll reporting period dates detailed on the Board approved pay date schedule.

Authorization for stipend payments must come from the principal or other approving budget manager. The stipend approver(s) will determine the classification of the stipend and will verify that the duties have been performed and will approve or deny the stipend hours request using appropriate district procedures.

20245-256 Supplemental Pay

Parameters Regarding Supplemental Pay:

All Supplemental duty positions are for the current contract year only. Both the position and the accompanying pay conclude at the end of the contract year. Supplemental duties are to be performed outside the regular work day.

Funds to support supplemental positions shall be allocated to school councils. Funds will be allocated based on the school's February 1 projected enrollment with adjustments made on Day 10.

Payments for all supplemental duties, (including athletics), regardless of the source of payment, shall be based on the Board-approved Supplemental Salary Schedule. No principal, council or booster club may authorize or pay more for a position than has been approved by the Board. Deviation from the amounts listed in the Supplemental Salary Schedule and payment bands is not allowed.

~~Principals shall confer with the SBDM council regarding the assignment.~~

District employment policies shall be followed in filling all supplemental positions. All supplemental positions must be assigned using the District's online supplemental duty assignment system.

Athletics shall follow Kentucky High School Athletic Association (KHSAA) bylaws and FCPS Middle and High School Athletic Guidelines.

Certified employees must be considered for supplemental positions before hiring classified employees or people not employed with FCPS. Non-Employees are not eligible for most Instructional Supplemental pay but they are eligible for Athletic Supplemental pay.

No certified employee shall be given an additional planning period as a result of a supplemental duty assignment.

Classified hourly employees selected for a non-athletic supplemental duty will be paid at their regular (or overtime) hourly rate based on their regular position. Classified employees must be paid for actual hours worked. If the resulting cost exceeds the Board-approved cost for the assigned supplemental duty, the school will be responsible for the difference.

Principals will write specific expectations for each supplemental duty. Each employee who has been assigned to a supplemental duty will receive from the principal a written statement outlining the expectations for performance of the duty. Principals will conduct an evaluation of each supplemental duty position to determine the importance of the supplemental duty in helping the school to meet defined goals as determined by the SBDM council. These evaluations will be kept at the school level.

Once a band is assigned, it must remain for current school year, **unless the supplemental duty assignment changes.**

20245-256 Supplemental Pay

Parameters Regarding Supplemental Allocations:

All supplemental salaries must be paid through the District payroll. If funds other than the school's supplemental duty allocation are used to pay the supplemental duty, the cost of the fringe benefits must be added to the funds when remitting them to the District. The cost of the fringe benefits is adjusted annually for certified, classified, and non-FCPS personnel. Funds must be received in the Department of Budget and Financial Planning before supplemental duty positions will be processed for payment. The Department of Budget and Financial Planning annually publishes the appropriate fringe benefits rate to use.

Recommended Best Practices* for Hiring Retirees for Supplemental Duties:

Due to income restrictions imposed on retirees by KTRS, KTRS retirees working as a certified employee (including certified substitute) for the school district should not work a supplemental duty.

KTRS retirees should only be considered for athletic (not academic) supplemental duty, if:

- They are not employed in a certified position; or
- They are employed in a classified position; or
- They are not employed in any FCPS position; AND
- Form 30E has been completed with Human Resources and submitted to KTRS for exemption approval BEFORE the duty has begun.

**Veering from these Recommended Best Practices will require a signed release from the retiree. The required release form can be obtained from Human Resources.*

Best Practice Guide for Determining Pay Rates for Bands

Band A 100% - Assumes 100% of the duty for the entire year or season.

Band B 75% - Assumes majority of the duties for the year or season but may share some duties with other personnel

Band C 50% - Assumes approximately half of the duties for the year or season but may share with other personnel

Band D 25% - Assumes a small part of the duties for the year or season or may serve in the role on an intermittent basis as needed.

Guide for Determining Pay Rates for Grants

Band A 100% - Assumes 100% of the grant manager duties for grants above \$100,000

Band C 50% - Assumes 100% of the grant manager duties for grants of \$20,000-\$100,000 or splits Band A with grant manager duties 50/50 with another grant manager.

***Grant Manager supplemental duty may only be assigned if:**

The grant allows for the payment of a grant manager/coordinator from the grant funds and sufficient funds are available after all grant expenses have been budgeted. The person assigned to the grant does not have grant managing/coordinating as part of their regular job duties.
