If it isn't a consumable item, it should be surplusd prior to disposal. If you will get me a listing of the items, we can get it on the June 9th meeting then you can dispose of it.

Thanks!

Mr. Smith,

We are cleaning out closets in the middle school counseling office. We have found many old calculators, cassette players, etc. How do I tell what goes to surplus and what doesn't?

Thank you for your help,
Rachel
