Memorandum of Agreement Bullitt County Public Schools and Overdrive Detection

** **

This Memorandum of Agreement shall be between Overdrive Detection and Bullitt County Public Schools from August 12, 2025, through June 30, 2026. This Agreement relates to canine search services to be provided by OVERDRIVE DETECTION to Bullitt County Public Schools for drug prevention and detection of contraband.

Funding for services by OVERDRIVE DETECTION to Bullitt County Public Schools (hereinafter "BCPS") is being provided through a state grant. BCPS may terminate this Agreement if the state grant (or funds) is not appropriated or otherwise not available for the purpose of funding this Agreement.

Duties of BCPS:

1. BCPS agrees to schedule all facility searches through its Safe Schools Director or Designee.
2. The school principal or designee shall be informed when the canine arrives at the facility/location to be searched. The searches will be conducted in compliance with relevant current law, BCPS policy, and the most current Student Handbook provisions.
3. BCPS shall compensate OVERDRIVE DETECTION K9 Services for its services consistent with the fee schedule of \$250.00 per school visit.

Duties of OVERDRIVE DETECTION:

1. OVERDRIVE DETECTION K9 Services shall provide to BCPS all required certifications and insurance verification for the canine services. General liability insurance shall be obtained in the amount of \$1,000,000.00 by OVERDRIVE DETECTION K9 Services naming BCPS as an additional insured.
2. OVERDRIVE DETECTION K9 Services shall guarantee that every canine used for school searches possesses the requisite certifications and training required by law.
3. OVERDRIVE DETECTION K9 Services shall guarantee that every canine handler used for school searches possesses the requisite certifications and training required by law.
4. OVERDRIVE DETECTION K9 Services shall work directly with the BCPS Safe Schools Director to schedule regular impromptu inspections of school district buildings and facilities.
5. The canine handler in charge shall communicate search results to the Safe Schools Director promptly.
6. The canine handler in charge shall be reasonably familiar with search and seizure-related case law and statutes. OVERDRIVE DETECTION K9 Services and its agents and employees shall review

relevant BCPS policy and the most current student handbook, both of which, can be found online at BCPS' website.

7. OVERDRIVE DETECTION K9 Services agrees to assume responsibility for all liability caused by its agents and employees and liability caused by or associated with the use and care of their canines and to indemnify, save and hold harmless BCPS, its agents, board, and employees from any and all liability or damages.
8. When requested by BCPS, agents or employees of OVERDRIVE DETECTION K9 Services shall testify in any disciplinary hearing or official proceeding. OVERDRIVE DETECTION K-9 Services' fee for this will be the same as a school search.
9. OVERDRIVE DETECTION K9 Services agrees to adhere to State and Federal privacy requirements unless requested to release information by lawful subpoena or court order.
10. **Explosive and Firearms Detection Services:** Upon the request of the Safe Schools Director, OVERDRIVE DETECTION K9 Services may utilize explosive and firearms detection canines and handlers. All such services will adhere to the same certification, insurance, training, and operational standards as outlined in this agreement for drug prevention and contraband detection services, and will be subject to the same fee schedule of \$250.00 per school visit.
11. When conducting searches, OVERDRIVE DETECTION K9 Services will adhere to state and federal law, the most current Bullitt County Code of Student Behavior and Discipline, BCPS Policy, and specifically, but not limited to, the following conditions:
 - a. The Principal or the Principal's designee shall be present during all searches;
 - b. All dogs shall be on a leash and shall not be allowed to come in close proximity to any student;
 - c. No student shall be in the vicinity of the site being checked by dogs; and,
 - d. When classrooms are being checked with trained dogs, students will be removed from the classroom before the search commences.
