Action Item for Vote (REGULAR MEETING)

Superintendent Prior Approval: Yes

Recommendation/Motion: A motion to approve the Go Guardian Pear Assessment contract for the 2025-2026 school year.

Background/Rationale: This is a contract for an assessment platform in which teachers can create formative and summative assessments. The platform provides standard-aligned test items along with a robust reporting suite that would inform multi-tiered system of support (MTSS) at the district and school level. This assessment platform will be used districtwide to administer common assessments at all levels in 2025-2026. FCPS conducted a pilot implementation of this recourse in 2024-2025 in select schools, leading to a determination that it meets our priority needs and interests with teaching and learning efforts.

Strategic Priority:

- ☒ Student Achievement ☐ Unity, Belonging & Student Efficacy
- ☐ Highly Effective, Culturally Responsive Workforce
- ☐ Outreach & Engagement ☐ Organizational Health & Effectiveness

Data Considerations: Data analysis with schools after each formative assessment provides student support through tiered instruction and extensions in grades Kindergarten through high school.

Policy: 08.1 Curriculum

Fiscal Impact: \$99, 630
