The mission of Anchorage Public School is to unite with the Anchorage community to equip all students with the knowledge, skills, behaviors, and mindset that will inspire and empower them to make a positive impact on their community and world.

The Anchorage Board of Education Annual Calendar is attached for your reference.

2. First Reading Board Policy Revisions**Rationale:**

Board Policy 1.05 states, "the Board will not enact or revise policy in the same meeting that it is initially introduced. Additional readings shall not be required if the Board amends the policy proposal under consideration at either the first or second reading."

Changes presented are recommended by the Kentucky School Board Association (KSBA) Policy Division with additional recommendations / suggestions from District Staff. District recommended changes / suggestions are reflected on policies 08.2323 Access to Electronic Media (added Artificial Intelligence language), 03.1233 Maternity Leave, 07.1 Food/School Nutrition Services. Those policies have been attached separately in 3 PDFs and show the mark-ups / comments added by District Staff.

The policies are attached in two (2) different formats: a PDF file is attached showing all mark-ups by both KSBA and Anchorage District Staff and a Word document reflecting same information.

District also recommended updates to policies outside of the KSBA recommendations and they are attached in separate Word files - Holidays & Vacations - Certified & Holidays & Vacations - Classified.

Attached is a list of the number of each policy included for your consideration. If Board members have concerns or recommendations they should share with me in advance of the second reading.

These policies were received on Friday, May 30, 2025 and forwarded to Board members in separate email on June 2, 2025 to allow for additional time to review.

3. Items for Action**A. APPROVAL - B101 Contract Addendum - G. Scott & Associates****Rationale:**
